## Student Learning Outcomes:

### SPN 104

Students will demonstrate:

1. That they can infer meaning when listening to native speaker's discourse on a variety of concrete and abstract topics.
2. That they can formulate culturally and linguistically appropriate responses that exchange meaning in simple situations as well as some complicated situations.
3. That they can apply the target vocabulary to the communication of ideas and will recognize an even larger number of lexical terms.
4. Cultural competency by associating specific language and behavior to its cultural, geographical, and ethnic relevance; and by assessing nuances of meaning communicated through non verbal messages, tone (humor, irony), and figurative speech.
