Student Learning Outcomes: *(Enter the SLO's in an outline format. Use the Ctrl + Tab keys to indent for subtopics.)*

1. Demonstrate a high level of consistency and reliability in performing skeletal alignment, body-part articulation and strength, flexibility, agility and coordination in locomotor and non-locomotor/axial movements.
2. Identify and demonstrate dance steps, positions and patterns for intermediate level Tap Dance which would include a variety of rhythmic patterns such as syncopation, broken rhythm, double time, and half time.
3. Create and perform combinations and variations in a broad dynamic range utilizing the concepts of space, time, weight and flow.
4. Perform technical skills with artistic expression, demonstrating clarity, musicality and stylistic nuance.
5. Demonstrate the ability to memorize extended movement sequences.
6. Observe two tap dances and discuss how they are similar and different in terms of the use of space, time, dynamics, levels, weight and flow. Additionally, examine ways that each dance creates and conveys meaning in considering the dance from a variety of perspectives.
7. Identify possible aesthetic criteria for evaluating tap dance such as skill of performers, originality, visual and/or emotional impact, variety and contrast, costumes, music, and lighting.
8. Analyze issues of ethnicity, gender, social/economic class, age and/or physical condition in relation to dance.
9. Explain how skills developed in dance are applicable to a variety of careers.
10. Create a warm-up and discuss how that warm-up prepares the body and mind for expressive purposes.
