

Fire Fighter I

CERTIFICATE OF ACHIEVEMENT

The Fire Fighter Certificate of Achievement Program provides students with the knowledge and skills required to become California Board of Fire Services (CBFS) certified as Fire Fighter I and qualifies students for entry-level employment as a professional fire fighter and Emergency Medical Technician-I. Students will be academically prepared for certification as Fire Fighter I; however in order to receive their Fire Fighter I certificate from CBFA, students will also need to document 1 year volunteer of 6 months paid service as a fire fighter OR complete 8 units of FCS 196. (Cooperative Work Experience).

Certified Volunteer Fire Fighters can receive credit for FSC 63 and FSC 64 through the credit by examination process. Refer to the section of the College catalog concerning "Credit by Examination." Additional questions about the credit by exam process can be addressed by the Mendocino College Office of Admissions and Records.

This training utilizes curricula developed by the California Fire Service Training and Education System (CFSTES, the training branch of the California State Fire Marshall).
