General Work Experience Education is an applied academic course in which students earn college credit for learning or improving skills or knowledge while working. Any type of work is suitable for General Work Experience. Faculty and employers help students create meaningful educational experiences by developing and achieving specific learning objectives related to the job. Specific units are determined based on the number of hours a student works over the semester. There are no classroom meetings after the initial orientation\*. There are no prerequisites or concurrent enrollment requirements for this course. CED 195 units are Associate Degree applicable and CSU transferable.

\*All students MUST attend an orientation. The orientation schedule and course instructions are in the CWEE packet, available at the Bookstore or [www.mendocino.edu](http://www.mendocino.edu) (click "For Students" then "Work Experience"). To contact the CWEE office in Ukiah: 468-3047; Lake: 263-4944; or Willits: 459-6224. To contact the Round Valley/Covelo coordinator, email [rfrancia@mendocino.edu](mailto:rfrancia@mendocino.edu) 196 OCCUPATIONAL WORK EXPERIENCE Occupational Work Experience Education courses are discipline-specific, applied academic courses in which students earn college credit for learning or improving skills or knowledge while working. Faculty and employers help students create meaningful educational experiences by developing and achieving specific learning objectives related to the job. Occupational Work Experience is discipline-specific in that the student's job and learning objectives must relate to the CWEE course in which he or she is enrolled. For example, students working in a business setting would enroll in BUS (Business) 196. A student may earn up to 8 Associate Degree applicable and transferable units per semester (for a total of 16 units). Specific units are determined based on the number of hours a student works over the semester. There are no classroom meetings after the initial orientation\*. There are no prerequisites or concurrent enrollment requirements for this course. Specific section numbers are found under the following disciplines: Administration of Justice, Agriculture, Alcohol and Other Drugs, Art, Automotive, Business, Business Office Technology, Culinary Arts, Child Development, Computer Science, Education, Fire Science, Health, Human Services, Journalism, Music, Natural Resources, Spanish, and Theatre
