

Intersegmental General Education Transfer Curriculum 2024-2025

Courses that are listed in multiple areas can only be used to meet the requirements of a single area.

Courses indicated by ^ are approved for the indicated area through Summer 2025. Courses indicated by * are approved for the indicated area through Summer 2026.

The IGETC pattern may be used for CSU, UC, and private institutions. All courses used on the IGETC pattern must be completed with grades of “C” or better. However, students transferring to major in engineering, biological science, or a physical science should focus on completing major preparation courses. IGETC might not be necessary to complete before transfer. Students who do not complete the IGETC prior to transfer will need to complete the 7-Course Pattern for UC Admission along with their major preparation courses for admission.

CSU U.S. History, Constitution, and American Ideals. Students can satisfy this requirement by completing POL 200 **and** one of the following HST courses: HST 202, 203, 207 (until summer 2025), 208, 209, 222, 250. The HST courses can be counted in either *Group 3B* or *Group 4*. POL 200 can be counted for *Group 4*. This is a *CSU Graduation Requirement*. It can be completed after transfer.
