Indigenous Land Acknowledgement Honoring Native Peoples and Lands

In the spirit of community, we acknowledge that Mendocino-Lake Community College District encompasses the ancestral and present homeland of the indigenous nations of Mendocino and Lake Counties, including the Cahto, Concow, Nomlaki, Pomo, Pit River, Sinkyone, Wailacki, and Yuki. We recognize, honor, and respect these nations as the traditional stewards of the lands and water on which the District is now present. As a community we acknowledge this legacy.

We recognize that Mendocino College has benefited and continues to benefit from the use of this land. Consistent with our values we will work to strengthen our relationship with native peoples.

By offering this Land Acknowledgement, we recognize, support, and advocate for their sovereignty and will work to hold Mendocino-Lake College District more accountable to the educational needs of local first nations and indigenous people. We take this opportunity to acknowledge the land and our responsibility to the original people and tribal nations of Mendocino and Lake Counties.

PREREQUISITES, COREQUISITES AND RECOMMENDED PREPARATIONS

It is the intent of Mendocino College to guide students into courses in which they will have the greatest chance for academic success. Therefore, students will find that some have prerequisites, co-requisites or recommended preparation in their description. Following are the definitions for prerequisites, co-requisites, and recommended preparation:

Prerequisite - A course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program. Completion of the prerequisite is required prior to enrolling in the course. Successful completion of a prerequisite course means that a grade of A, B, C, or P, was earned; C-, D, F, or NP grades are not acceptable.

Co-requisite - A course that a student is required to simultaneously take in order to enroll in another course. (If a course is listed as both a prerequisite and a corequisite it can be taken before or concurrently.)

Advisories on recommended preparation - indicates knowledge or skills that will be of great advantage to a student prior to enrollment in a specific course but are not required. (*Recommended Preparations can be found in the Mendocino College Catalog online*)

Prerequisite Challenge Procedure

If students feel they can meet the requirements, or one of the conditions listed below exists, and can provide documentation, then they can challenge a prerequisite. A Prerequisite Challenge Form can be obtained from the Mendocino College website or Admissions and Records Offices at the Ukiah campus, Lake and North County Centers. The challenge must be filed in the Office of Admissions and Records no later than the first day of the semester. Criteria for challenging a course are:

- 1. The prerequisite or co-requisite has not been established in accordance with the District's process for establishing prerequisites and co-requisites.
- 2. The prerequisite or co-requisite is in violation of Title 5, section 55003 Policies for Prerequisites, Co-requisites, and Advisories on Recommended Preparation.
- 3. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
- 4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
- 5. The student will be subject to undue delay in attaining the goal of his/her educational plan because the prerequisite or co-requisite course has not been made reasonably available.

IMPORTANT NOTES ABOUT THE CAL-GETC PATTERN

The Cal-GETC pattern may be used for CSU, UC, and private institutions. All courses used on the Cal-GETC pattern must be completed with grades of "C" or higher. However, students transferring to major in engineering, biological science, or a physical science should focus on completing major preparation courses. Cal-GETC might not be necessary to complete before transfer. Students who do not complete the Cal-GETC prior to transfer will need to complete the 7-Course Pattern for UC Admission along with their major preparation courses for admission. To learn more about the 7-course pattern for admission, please visit the following website: https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/preparing-to-transfer/basic-requirements.html

(CSU Graduation Requirement) CSU U.S. History, Constitution, and American Ideals. Students can satisfy this requirement by completing POLS C1000 and one of the following HST courses: HST 202, 203, 208, 209, 222, 250. The HST courses can be counted in either Group 3B or Group 4. POLS C1000 can be counted for Group 4. This is a CSU Graduation Requirement. It can be completed after transfer.

(UC Graduation Requirement) Language Other Than English. Most non-language undergraduate majors require or recommend that students demonstrate competence in at least one language other than English.

Study of a language other than English is also appropriate for students considering graduate study, even if their undergraduate major does not have a language requirement. Many graduate programs require students to demonstrate proficiency in at least one language other than English, and in some programs, students are expected to be able to study documents in the original language.

As a transfer student, when appropriate, students should at least begin study of a language other than English before entering UC. Please note that each campus has its own guidelines for the Language other than English Requirement. Please view the UC Graduation Requirements Page at: https://admission.universityofcalifornia.edu/counselors/uc-graduation-requirements/ to view an individual campus' requirements.
