

LVN-TO-RN CERTIFICATE OF ACHIEVEMENT

The LVN-to-RN Certificate of Achievement is an 18-month course of study consisting of both classroom and clinical training. Graduates of the program work as integral members of the healthcare team, providing care and educating clients across the lifespan. The LVN-to-RN Certificate of Achievement is designed to provide California Licensed Vocational Nurses the classroom and clinical training necessary to be eligible for the National Council Licensing Examination (NCLEX). Students who take the NCLEX-RN after completing a certificate program, such as this (as opposed to a degree program) may not be able to practice as an RN outside the State of California. Prospective students must first complete required prerequisites before entry to the program. Prospective students must meet with the Nursing Program Director prior to application to discuss limitations of the RN role for 30-unit option nurses. Admission to the program is competitive. For further details on admission criteria, see the Mendocino College Nursing Department webpages.

Required Courses – Prerequisites

(must be completed by end of semester in which application submitted)

Course Number	Course Name	Units
BIO 231	Human Physiology	5
BIO 259	Microbiology	5

Required Courses – Major

Course Number	Course Name	Units
NUR 50	LVN-to-RN Transition	1
NUR 52C	Nursing Technical Lab III	1
NUR 52D	Nursing Technical Lab IV	1

NUR 121	Leadership and Management I	1
NUR 122	Complex Medical/Surgical Nursing I	8
NUR 125	Pharmacology III	1
NUR 126	Nursing Seminar I	2
NUR 131	Leadership & Management II	1
NUR 132	Complex Medical/Surgical Nursing II	8
NUR 135	Pharmacology IV	1
NUR 136	Nursing Seminar II	2

Total units required for Certificate

28

Program Level Student Learning Outcomes:

1. Successfully passes standardized exams on the topics of fundamentals, maternal/newborn, pediatrics, community health, mental health, medical/surgical, nutrition, leadership, and the comprehensive predictor.
2. Successfully completes a minimum of 132 hours of individual clinical preceptorship as assigned in final semester as outlined in Mendocino College RN preceptor Handbook.
3. Practices within legal, ethical, and regulatory guidelines while adhering to standards of professional practice and accepting accountability for personal actions.
4. Becomes eligible for the state board examination (NCLEX-RN).
5. Meets qualifications and obtains LVN-to-RN Certificate of Achievement.

This Certificate Program does not lead to an Associate in Science Degree in Registered Nursing. It entitles the graduate to take the examination for licensure as a Registered Nurse, and to practice only in the State of California. This Certificate Program is required by regulation; however, neither the College, the BRN, nor employers consider it to be the best way to prepare students for the realities and demands of the nursing profession.
