Estimados Estudiantes Actuales y Futuros Estudiantes:

Estoy encantado de darles la bienvenida al semestre de otoño 2026 en Mendocino College. Durante más de cinco décadas, Mendocino College ha brindado excelentes oportunidades educativas a estudiantes de los condados de Mendocino y Lake. Aunque hemos crecido y evolucionado, nuestro compromiso con el éxito estudiantil, la excelencia educativa y el servicio a nuestra comunidad se mantiene firme.

En nombre de nuestros maestros y personal, los invito a unirse a nosotros este otoño. Mendocino College ofrece una educación accesible y de alta calidad cerca de casa, ayudando a los estudiantes a ahorrar dinero, mantenerse conectados con sus familias y comunidades, y construir una base sólida para el futuro. Ya sea que planeen transferirse a una universidad, prepararse para una carrera de alta demanda, completar un certificado o explorar una nueva dirección, estamos aquí para ayudarles a avanzar.

Estamos especialmente orgullosos de nuestro papel en preparar estudiantes para carreras que sirven a nuestra región, incluyendo salud, seguridad pública, respuesta a emergencias, oficios especializados y otros campos esenciales. También continuamos apoyando a estudiantes de preparatoria a través de la inscripción dual, dándoles la oportunidad de obtener créditos universitarios temprano y reducir el costo total de su educación.

Mendocino College es una institución centrada en el estudiante y dedicada a su éxito. Ofrecemos ayuda financiera, asistencia con alimentos y cuidado de niños, tutoría, consejería, servicios de carrera y otros recursos para ayudarles a alcanzar sus metas.

Ya sean estudiantes nuevos o de reingreso, estamos aquí para apoyarles en cada paso. Los animo a inscribirse, participar y aprovechar al máximo este semestre.

PREREQUISITES, COREQUISITES AND RECOMMENDED PREPARATIONS

It is the intent of Mendocino College to guide students into courses in which they will have the greatest chance for academic success. Therefore, students will find that some have prerequisites, co-requisites or recommended preparation in their description. Following are the definitions for prerequisites, co-requisites, and recommended preparation:

Prerequisite - A course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program. Completion of the prerequisite is required prior to enrolling in the course. Successful completion of a prerequisite course means that a grade of A, B, C, or P, was earned; C-, D, F, or NP grades are not acceptable.

Co-requisite - A course that a student is required to simultaneously take in order to enroll in another course. (If a course is listed as both a prerequisite and a corequisite it can be taken before or concurrently.)

Advisories on recommended preparation - indicates knowledge or skills that will be of great advantage to a student prior to enrollment in a specific course but are not required. (*Recommended Preparations can be found in the Mendocino College Catalog online*)

Prerequisite Challenge Procedure

If students feel they can meet the requirements, or one of the conditions listed below exists, and can provide documentation, then they can challenge a prerequisite. A Prerequisite Challenge Form can be obtained from the Mendocino College website or Admissions and Records Offices at the Ukiah campus, Lake and North County Centers. The challenge must be filed in the Office of Admissions and Records no later than the first day of the semester. Criteria for challenging a course are:

4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
5. The student will be subject to undue delay in attaining the goal of his/her educational plan because the prerequisite or co-requisite course has not been made reasonably available.

IMPORTANT NOTES ABOUT THE CAL-GETC PATTERN

The Cal-GETC pattern may be used for CSU, UC, and private institutions. All courses used on the Cal-GETC pattern must be completed with grades of "C" or higher. However, students transferring to major in engineering, biological science, or a physical science should focus on completing major preparation courses. Cal-GETC might not be necessary to complete before transfer. Students who do not complete the Cal-GETC prior to transfer will need to complete the 7-Course Pattern for UC Admission along with their major preparation courses for admission. To learn more about the 7-course pattern for admission, please visit the following website: <https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/preparing-to-transfer/basic-requirements.html>

(CSU Graduation Requirement) CSU U.S. History, Constitution, and American Ideals. Students can satisfy this requirement by completing POLS C1000 and one of the following HST courses: HST 202, 203, 208, 209, 222, 250. The HST courses can be counted in either Group 3B or Group 4. POLS C1000 can be counted for Group 4. This is a CSU Graduation Requirement. It can be completed after transfer.

(UC Graduation Requirement) Language Other Than English. Most non-language undergraduate majors require or recommend that students demonstrate competence in at least one language other than English.

Study of a language other than English is also appropriate for students considering graduate study, even if their undergraduate major does not have a language requirement. Many graduate programs require students to demonstrate proficiency in at least one language other than English, and in some programs, students are expected to be able to study documents in the original language.

As a transfer student, when appropriate, students should at least begin study of a language other than English before entering UC. Please note that each campus has its own guidelines for the Language other than English Requirement. Please view the UC Graduation Requirements Page at: <https://admission.universityofcalifornia.edu/counselors/uc-graduation-requirements/> to view an individual campus' requirements.

NOTE: CONSULT THE 2026-2027 CATALOG OR MAKE AN APPOINTMENT WITH A COUNSELOR FOR MINOR CHANGES THAT MAY OCCUR IN THE GENERAL EDUCATION COURSE LISTING.
