They will meet with the staff at the center and also the Mayor of Fort Bragg. The College is looking forward to the opportunity to discuss the situation, and anyone wishing to join is welcome to come.
- Superintendent/Reyes reported the College has excellent finalists for the Director of Human Resources. He is checking references and expects to make a decision in the very near future, possibly the next day or so. Interim Director of Human Resources José Millán will be leaving the College by the end of March. The Board will ratify the new Director of HR at the April 2 meeting.
- Board President Joel Clark asked how hiring committee work is going in general with so many positions to be filled in the next few months. Superintendent/President Reyes responded approximately 15 of the 17 committees have met already. Scheduling interview dates will be the most difficult. Planning is going well, and staff is excited about all the new people coming on board. This will be a significant change for the College in all employee groups. Virginia Guleff and Eileen Cichocki spent a day in SF at a job fair, and Superintendent/President Reyes and José Millán spent the day in Los Angeles at another job fair. We are adding more advertising sites in our recruitment process as people use their phones more now and not newspapers for job news as in the past.
- Trustee Chaniot is pleased to see the “Lunch with the President” activity in a more informal setting for staff to get to know our new President. Superintendent/President Reyes informed the Board he also held an evening dinner with custodial staff to accommodate their hours. - The number of students completing the AA-T and AS-T degrees to CSUs has risen from 12 last year to 57 this year. She also thanked College faculty for the large amount of work they put into developing this new process. Currently 14 out of 40 programs are approved.

- Trustee Tomkins requested Vice President Guleff discuss further the Native American Outreach by the College. Vice President Guleff reported that in searching through old files she recently found the Board item from 1992 when the Native American Outreach program was developed. She also reported that when she attended the San Francisco job fair she ran out of the Native American Program brochures. Institutional Researcher Minerva Flores created a Fast Facts information sheet that shows the Native American student transfer rate statewide is 1%, and the College transfer rate for Native American students is 6%. The College is planning on a summer bridge program with Native American students, and we are slowly but surely building trust with this student population. Trustee Chaniot commented that the Native American Advisory Committee (NAAC) used to give a report to the Board of Trustees once a year. She requested that the Board hear annually from all advisory committees.

- Trustee Ubelhart asked if Willits offers Adult Education. Vice President Guleff responded that she did not know if they do. Superintendent/President Reyes believes notification was sent out to all cities/counties in our area about the Consortium and maybe they didn’t opt in. Superintendent/President Reyes stated the College will check on the status of Willits.

ASMC

Student Trustee Kevin Leal stated a couple of Student Senators have gotten together to discuss IT issues; in particular students use an unsecured network so they have to log in every time they come on campus. They will discuss this with Director of Information Technology Karen Christopherson. Board President Clark stated this is a very common issue when using unsecured networks.

**Board Role in College Planning**

It is the Board of Trustees’ intent to set annual Board Priorities. Board President Clark suggested a half day workshop before May so the Board can set their priorities for 2014/2015. The Board needs to finalize what they see as the vision for the College so that staff can move forward in their planning processes knowing these priorities which should influence the Strategic Goals being set each year. It was agreed that after the April 2 regular Board meeting the Trustees will hold a workshop to set the 2014/2015 priorities. Trustees will submit their priorities to Board President Clark prior to April 2, discuss their priorities at the workshop, and then vote for five to seven priorities.

**2013/2014 Strategic Goals**

These goals have been discussed with PBC, and will now be brought back to the Board for adoption at the April 2 meeting. This will end the cycle for 2013/2014.
