The Inter Club Council (ICC)

ICC meetings occur once a month. All active clubs should participate in each ICC meeting. There is no limit to the number of attendees from each club, however only two people will be allowed to speak for each club at ICC meetings.

Each meeting will cover the following: Introductions, Club Announcements, Business Reports, Guest Speakers, Club Status and Club Day. Additional topic requests must be submitted in writing to the ASMC Vice President at least 72 hours prior to the meeting.

ICC meetings will begin by each representative stating their name and the club they represent.

Club announcements will be a chance for each club to announce new club events, changes to the activity calendar, or report on events they've done. In addition, club representatives can receive constructive criticism of their events from other club representatives.

Business reports will allow clubs to discuss financial concerns and report on the finances of each event (gains/losses), as well as coordinate dates of future activities with other club representatives.

Guest speakers will periodically be available for Q&A sessions. Individual clubs are welcome to bring in guest speakers, however, presentation of such speakers will be limited to three (3) minutes unless passed a by majority vote to extend the presentation time (case-by-case basis).

Club status will be a chance for clubs to declare intent to disband membership or change presidents/advisors. In cases where clubs are on probation, this is the opportunity for the ICC to review offenses and decide the appropriate penalty for such offenses.

In addition to meetings, the ICC will host at least one "Club Day" event each semester. This is a time to encourage student participation, promote your club, do some fund-raising, and liven up the college atmosphere. Discussion of these events will take place at each meeting to accommodate clubs with future activities, discuss options for weather changes, intended booth features (surveys, giveaways, etc.), and ways to get more students to participate.

The first ICC meeting is typically held in mid-September. Existing clubs will receive information from the ASMC Vice President regarding ICC meetings. Newly forming clubs should keep an eye out for announcements on the college bulletin boards. Anybody interested in starting a club is also welcome to attend!
