AGRICULTURE – SUSTAINABLE SMALL FARMS MANAGEMENT CERTIFICATE OF ACHIEVEMENT

The Small Farm Management Certificate Program will provide knowledge and skills for the next generation of farmers in sustainable, local and organic farming, and gardening practices. The core technical courses in this certificate offer a foundation for further training appropriate for farm-related employment opportunities. Students will gain fundamental skills that are applicable across disciplines while also having the opportunity to focus on specific areas of interest within the farm management topic. In addition, the program provides an introduction to basic business and accounting skills, marketing and promotion, and skills that are essential to the successful development of a small sustainable farm.
