SUBJECT: PRESIDENT AND ADMINISTRATION REPORT

First of all, I am very honored and excited to have been chosen to serve as the Interim Superintendent/President. I look forward to serving the Trustees and working alongside our exceptional team of students, faculty, staff and managers to move the college forward on the many initiatives we have underway, not the least of which is completing our self-evaluation in preparation for accreditation reaffirmation.

Additionally, I would like to take this opportunity to thank former Trustee Geck for his 9 years of service to the Mendocino-Lake Community College District and for his willingness to share his wisdom and expertise with us during his tenure. His commitment to the college and the students of our district is unsurpassed and is deeply appreciated.

We are actively preparing for the Fall 2019 semester which begins August 19. The college is currently in the final planning stages of our part-time faculty orientation, professional development activities and inservice agenda. This year’s fall inservice falls on Friday, August 16. The Board is invited to attend inservice activities, specifically the morning General Session which begins at 8:30 in the CVPA and will include campus updates, introduction of new employees, presentations on the FYI program and the Phoenix Project, and service awards to employees.

At the beginning of each fall and spring semester, several of our employees join together to facilitate a Week of Welcome for our students. We have a packed schedule that is sure to help get our students acclimated to our campuses and excited for the fall semester. So far, the schedule is as follows:

The Mendocino College Promise program is being launched in the Fall 2019 semester for all eligible students. Using funding provided by Assembly Bill 19, Mendocino College will make it possible for students to attend one year of college without any out-of-pocket expenses. By completing at least 15 units each semester (fall/spring) of their first year, students can have all enrollment fees covered by a combination of grants and other funds. Eligibility requirements include:

- First-time college student
- Complete a minimum of 15 units in their first semester (Fall or Spring)
- Enroll in a minimum of 15 units in their second semester (Fall or Spring)
- Be a California resident or otherwise exempt from paying non-resident tuition fees (e.g. AB540)
- Complete the Federal Application for Federal Student Aid (FAFSA) or California Dream Act application
- Have an educational plan on file
- Earned their high school diploma or equivalent in our service area.

Once students have successfully completed their first semester, we will automatically enroll them in the program for the subsequent semester. As long as they complete 15 units in their first semester, they will earn a Mendocino College Promise grant to cover any out of pocket enrollment fees. Mendocino College and the Mendocino College Foundation have been discussing ways to expand the program moving forward.

On July 18th, Mendocino College held a New Student Welcome event at the Ukiah campus. A total of 122 first-year students attended this event. Organized by an ad hoc workgroup headed by FYI/HSI Grant Program Manager Monica Flores, the event was an orientation to campus with additional direct guidance provided to students in specific programs, such as the First Year Institute, College Assistance Migrant Program, and EOPS. Different tracks were developed for each program that guided students through the entire matriculation process. Students were able to enroll for classes, receive assistance setting up their college email, completed the financial aid process among many other services. Additionally, two presentations were made for parents that accompanied their students. All attendees were provided lunch and were able to connect with different departments, programs and student clubs in Pomo Plaza.

The 2019 Summer term came to a close on July 31 bringing in solid enrollments. In fact, at last count our FTES is over 15 FTES higher than last summer and our highest over the past four years. Several special programs contributed to that record enrollment: The Adelante program provided college classes in math and English to rising 9th-12th grade students; the Native American Enrichment Program supported high school students in a sustainable agriculture class as well as other career development and team building activities; Upward Bound programs were housed at both the Coast and the Lake Centers where high school students took an assortment of college classes; we partnered with the Butte County Office of Education to offer online education classes for prospective bilingual teachers; of course, we also offered a wide array of classes in traditional classrooms and online.

So far, Fall enrollments look strong. We are ahead about 26 FTES from last year and have the highest enrollment numbers in three years. Enrollments are especially strong online and at the Coast Center. We are continuing to build out our efforts in dual and concurrent enrollment throughout the district, including the Middle College and new College and Career Pathways in Lake County. The instructional deans and Lake Center Director are all developing strong relationships with leadership from every high school in our district to support their students with college going opportunities. We also will continue to build our collaboration with the Butte Office of Education to offer online EDU classes for prospective bilingual teachers throughout the academic year.
On July 30, we were notified by a representative in Congressman Jared Huffman’s office that the Mendocino-Lake Community College District had received grant approval on a five-year, $2 million grant for the College Assistance Migrant Program (CAMP). Mendocino College competed with many other grant proposals and was awarded the funds to identify, recruit, admit, and enroll at least 50 migrant and seasonal farm worker students annually. With the grant we will be able to continue to provide students with targeted support services, such as mentoring, tutoring, an assigned counselor, book vouchers, financial aid assistance, and opportunities to participate in cultural and academic enrichment activities. CAMP also offers a Summer Bridge Program to help prepare students for college. Historically, Mendocino College CAMP students have seen an average 89 percent completion and 99 percent retention rate. Students for the program are recruited throughout Lake and Mendocino Counties and Mendocino College CAMP is among only nine programs statewide at six California State University campuses and three community colleges. It is the only program of its kind in California north of Sacramento.

Unfortunately, we received notification on August 6 that we did not receive federal funding to continue the High school Equivalency Program (HEP). The grant’s purpose is to provide instructional and support services to migrant seasonal farm working students who want to obtain a High School Equivalency Diploma. The program, since its inception, has served approximately 2,000 students within the MLCCD service area and has had more than 1,000 students receive their high school equivalency diploma. The grant has a positive history of reaching the GPRA (Government Performance and Result Act) measures by surpassing the 69% annual graduation rate (average is 71%), and 88% placement rate. It is the only program of its kind in the North Far North region in California (from Mendocino County to the Oregon Border). While only two programs in California were funded, we are very disappointed our very successful program was not.

College administration and Academic Senate leadership collaborated on the college showing its support for the We Are Still In initiative. We Are Still In is a coalition of more than 3,500 CEOs, mayors, governors, college presidents, and other leaders committed to climate action. Rachel Donham, full time Biology faculty here at Mendocino College is spearheading the college’s commitment to climate action. She was part of a team that planned and organized our Earth Week 2019 activities this past April and is very interested in advancing sustainability and climate action at Mendocino College.

In early July, the Physical Therapy Assistant Program hosted the Commission on Accreditation in Physical Therapy Education (CAPTE) for its first visit to our campus to review the program which will begin in Spring 2020. Advertising has begun to encourage students to apply this fall for this program.

The College continues to gear up for our February Accreditation site visit. The Institutional Self-Evaluation Report (ISER) is being drafted and will begin going through a review process early this fall semester which will culminate in Board approval in December, 2019.

The North County Center in Willits is busy promoting Weekends to Success which is beginning this fall semester. General Education courses are scheduled Friday night and Saturday so that working adults and other busy students can take most of their general education requirements over the course of two semesters by showing up Friday nights and Saturdays, with some work online.

The Veteran Resource Center has been relocated to Room 1240 in MacMillan Hall. The new space has been open to students throughout the summer months and the response from students and community partners has been wonderful! The space will receive new flooring before the fall semester
begins and a new ADA compliant door will be installed soon. The space includes a reception desk, two desktop computers and a printer for student use, an area for students to relax and enjoy a cup of coffee and snacks, as well as a small study space and a semi-private meeting space. An open house is in the planning stages now and is provisionally scheduled for mid-September.

Director Anastasia Simpson-Logg will represent Mendocino College Veterans Services with a booth at the Veteran and Family Wellness Fair hosted by RCS at Todd Grove Park, August 24th, 10am-2pm. This will provide prospective students with information on how to make a transition to our college and utilize their veteran benefits. Director Anastasia Simpson-Logg and Admissions & Records Specialist Marianna Cooper attended the WAVES conference in July. WAVES is a conference designed to provide training to staff working with Veterans and Dependents using educational benefits. The conference provided valuable federal regulation updates, opportunities to work with VA representatives, as well as opportunities to network with professionals that serve this population.

Director Anastasia Simpson-Logg and Admissions & Records Specialist Marianna Cooper attended the NAFSA National Conference at the end of May. The conference provides specific training as well as numerous workshops for professionals that work with international students and study abroad students. Both staff gained skills through participation in pre-conference workshops and returned with exciting ideas for serving the current international student population and encouraging admission of new international students.

The First Year Institute (FYI) has over 140 students that have accepted enrollment into the program for the upcoming academic year. The program has a yearly target of serving 100 new students, which has been exceeded every year. Now entering its third cohort and fourth year of a five year grant, FYI has significantly enhanced the access and success of our first year students.

In the 2018-2019 academic year, the Admissions & Records, Financial Aid and Counseling offices provided extended hours for students. In order to accommodate students who are not able to visit during the normal 8am-5pm office hours, those offices extended their hours until 7pm on Tuesday and Wednesdays. This accommodation will once again be provided to students in the 2019-2020 academic year.

The Counseling department is maintaining a relationship that was solidified last year with both Mendocino and Lake County Offices of Education Counselor and Advisor Networks (CAN) groups. Moving forward, tentative schedules have been proposed for the 2019-20 school year, ensuring that Mendocino College will be represented at these regularly scheduled meetings to collaborate and share relevant information important to both K-12 and Higher Ed and the communities we serve.

Over the past year, Mendocino College has been working to expand services to incarcerated adults in Mendocino and Lake County jails. A strong working relationship has been established with the Mendocino County Sheriff’s Department and their Inmate Service Coordinator William Feather. Through this partnership, we have been exploring ways to expand our services to inmates, which includes providing inmates with course options and corresponding student services. Additionally, we are currently working to initiate similar services for inmates in Lake County. Lake Center Director Judy Kanavle has taken the lead to establish a working relationship with Captain Taylor at the Lake County Jail. The workgroup tackling this task includes: Dean Dennis Aseltyne, Judy Kanavle, Counselor Apryl Guisasola, William Feather and Dean Antonio Lopez. The workgroup intends to
include additional agencies in the mix that may be able to collaborate to grow and develop services further.
The college continues to plan for PG&E’s Public Safety Power Shutoff (PSPS) program. Should PG&E turn off power due to expected hazardous weather conditions, the college will have to shut down campus facilities. We have developed a schedule of employees who will be expected to provide fire watch at any location without power. The fire watch is necessary because our building fire alarms will not operate without power. Those on duty will ensure no one enters any buildings and will alert the fire department of any signs of fire. We hope not to have to implement the plan, but will be prepared if necessary.

Past Events

The 9th Annual Dan Drew Memorial Golf Tournament was held on August 2nd at the Ukiah Golf Course. Congratulations to Athletic Director Gordon on another excellent turnout! We are so thankful to all of our generous donors, the boosters, and our staff who always make it a great event. We were lucky to have former employee Rose Hernandez serving up her famous tacos at hole 14, while Sid Harper from Savings Bank generously donated his time to BBQ and serve our participants at the end of the event during the awards ceremony.

The Mendocino Computer Science Program hosted a free CyberCamp July 29-Aug 2 for local middle and high school students. The CyberCamp curriculum was provided by the Air Force as part of the Cyber Patriot Program (https://www.uscyberpatriot.org). The CyberCamp was a week-long introduction to CyberSecurity and CyberPatriot with a different module each of the five days including: career opportunities, ethics, online safety, Ubuntu 16 terminology and concepts, and more. The camp was full with 21 students attending the weeklong event.

Mendocino College MESA (Math, Engineering, Science, Achievement) hosted a Summer Math Institute August 5 – 8. The four-day short course is designed to prepare students for their next math class by forming small study groups and providing extra help from tutors and instructors. The courses covered included Applied Math, Statistics, Algebra II, and Trigonometry.
SUBJECT: EMPLOYMENT – SHORT-TERM NON-CONTINUING (STNC) EMPLOYEES

SYNOPSIS:
Approval/ratification of employment of short-term non-continuing (STNC) employees is requested.

RECOMMENDATION:
The Interim Superintendent/President recommends approval of this Board item as presented.

ANALYSIS:
Education Code 88003 authorizes a governing board to hire short-term (temporary, hourly) employees for less than 75% of a school year, up to 180 days.

Education Code 70902(d) permits a governing board to adopt a rule delegating the authority to hire short-term employees to the Superintendent/President, or designee. This district has adopted such a rule in Policy No. 703.

EC 88003 was amended to require districts to specify at a regularly scheduled Board meeting the service to be performed, as well as the start and end dates of the service.

Reference Board Policy 703, Employment of Short-Term, Substitute Employees

MOTION/ACTION:
RESOLVED, That the Mendocino-Lake Community College Board of Trustees hereby approves/ratifies the employment of the short-term non-continuing (STNC) employees as presented pending receipt of all necessary employment eligibility requirements.

SUBJECT: 2019/2020 APPROPRIATION LIMIT – RESOLUTION 08-19-01

SYNOPSIS:

Board of Trustees adoption of the 2019/2020 Appropriation Limit.

RECOMMENDATION:

The Interim Superintendent/President recommends the adoption of the attached proposed Board Resolution No. 08-19-01, Appropriation Limit for 2019/2020.

ANALYSIS:

The District is required under Article XIII-B of the State Constitution and Government Code Section 7900 et seq. to compute an annual appropriation limit. Government Code Section 7908(c) requires each community college district to report to the Chancellor of the California Community Colleges at least annually this appropriation limit, appropriations subject to limit, the amount of state aid apportionments and subventions included within the proceeds of taxes of the district, and amounts excluded from the appropriations subject to limit.

All districts are required to calculate appropriate limits based on data supplied by the California Community Colleges Chancellor’s Office. The 2019/2020 limit calculation is provided on the attached worksheet.

This limit is also commonly known as Proposition 4 or the Gann Limit. The appropriation limit for fiscal year 2019/2020 is $37,735,568 and appropriations subject to limit is $23,018,655.

SUBJECT: CONSIDERATION OF GRIEVANCE FROM PART-TIME FACULTY MEMBER RE: MENDOCINO PART-TIME FACULTY ASSOCIATION AGREEMENT, ARTICLE 4.1.3

SYNOPSIS:

A grievance from part-time faculty member Melissa Timmen is presented to the Board of Trustees for consideration.

RECOMMENDATION:

The Interim Superintendent/President recommends that the Board of Trustees deny the grievance appeal as presented.

ANALYSIS:

Part-time faculty member, Ms. Timmen, filed a formal grievance after being notified that she would not be receiving an assignment for the Fall 2019 semester.

Dean Montes denied the Level I grievance on April 16, 2019, included in Exhibit C attached.

Vice President Polak denied the Level II grievance on April 30, 2019, included in Exhibit K attached.

Superintendent/President Reyes denied the Level III grievance on May 23, 2019, included in Exhibit M attached.

On June 26, 2019, the grievant, a union representative and college administration participated in Level IV Mediation in an attempt to resolve the grievance. Mediation, facilitated by a mediator from the California State Mediation and Conciliation Service, was unsuccessful.

On July 3, 2019 a union representative, on behalf of the grievant, requested a Level VI Board of Trustees without Advisory Arbitration appeal. The grievant requested her grievance be heard in open session at the August 14, 2019 Board of Trustees Meeting.

On July 24, 2019, the Board of Trustees decided to base its decision solely on the written record, per 14.4.6.B.2 of the collective bargaining agreement.

Attached is the packet of written record from the grievant which includes multiple exhibits, A through N. Exhibit B as received from the grievant included student information that is protected by the Family Educational Rights and Privacy Act (FERPA). That protected information has been redacted from the class roster provided by the grievant.

Also attached is the response to the Level VI Grievance from Interim Superintendent/President Cichocki which details how the District has acted in accordance with Article 4 of the contract with the Mendocino Part-time Faculty Association.

Re: Response to Level VI Grievance, Melissa Timmen

Melissa Timmen began the formal grievance process on April 12, 2019 after being notified that she would not be receiving a Fall 2019 teaching assignment. Through each level of the grievance process, the District has maintained that assignments to part-time faculty were made “within the parameters set forth in” article 4 as required by the current Collective Bargaining Agreement (CBA) between MLCCD and the Mendocino Part-Time Faculty Association (MPFA).

Ms. Timmen accurately identifies her teaching history for Mendocino College. In fact, she has consistently taught sections of English 10 and 12 since Spring 2011. English 10 and 12 are remedial English courses and have been discontinued. Recent legislation now prohibits colleges from requiring courses more than one level below transfer level English (English 200). Accordingly, Summer of 2018 was the last term English 10 was offered and Summer 2019 was the last term English 12 was offered. The legislation and its implications are well known on campus and, in particular, to the English and Math departments. Ms. Timmen’s grievance asserts that she should be assigned English 200 in lieu of her usual assignment of remedial English courses.

Ms. Timmen did teach one section of English 200 during the Fall 2018 semester. This was not an entirely successful experience. Even the evidence Ms. Timmen provided in her Exhibit B shows a syllabus with handwritten notes indicating changes made to the grading system during the final weeks of the semester. This and other serious issues were brought to the attention of the Dean of Instruction, Rebecca Montes by student complaints. Dean Montes met with Ms. Timmen at the time to discuss the complaints, and she was not offered an English 200 section in the next semester—Spring 2019. There was no opportunity to include this experience in a formal evaluation as Ms. Timmen was not being evaluated in this courses during the semester she taught it.

In her grievance, Ms. Timmen refers to several parts of Article 4 of the CBA. In section 4.1 the CBA states that “In making assignments of part-time instructors, unit members who have previously taught a course will be given preference when that course is offered in subsequent semesters.” While Ms. Timmen has taught one section of English 200, there are many other faculty who have as well. This section does not guide the district in distinguishing between multiple part-time faculty who have taught the course when there are limited sections to assign.

1 AB 705 similarly significantly affects remedial mathematics offerings.
However, the more relevant language in the contract, also referred to by Ms. Timmen, is in section 4.1.3:

The District will assign part-time unit members classes/hours after considering the Availability Form and considering the following criteria:

a) Most recent evaluation
b) Date of hire and course history
c) Qualifications
d) Availability

There is no hierarchy suggested in considering these criteria. Ms. Timmen’s grievance ignores two important criteria: course history and qualifications. While she may have an earlier hire date than some of the part-time faculty in the English department, she has only taught one section of English 200. On the main campus, where Ms. Timmen has been teaching most recently, all of the English 200 sections except one are being assigned to full-time faculty. The one part-time faculty with an English 200 assignment has an earlier start date than Ms. Timmen. When Dean Montes pointed this out in her response to the Level I grievance, Ms. Timmen insisted that she should have been assigned a section at one of our centers. While she may have an earlier hire date than some of the part-time faculty at the centers, they have all taught a greater number of sections of English 200 and have been more successful. Again, there is no hierarchy suggested in considering the criteria in Article 4.1.3 cited above. The district considered all of the criteria above in making assignments to part-time faculty; Ms. Timmen’s grievance focuses only on date of hire.

The opening sentence of Article 4—Assignments states that “The District retains the right of assignment within the parameters set forth in this article.” The District has acted in accordance with Article 4 and has made decisions about assignments of courses that have carefully considered all of the criteria in order to best serve students with quality instruction.

Mendocino College Board of Trustees

From: George Young, California Teachers Association Regional UniServ Staff representing Melissa Timmen as a member of the Mendocino Part-time Faculty Association

I write on behalf of Melissa Timmen. Per article 14.4.4 of the Collective Bargaining Agreement (CBA/contract) between the Mendocino College Part-time Faculty Association, CCA/CTA/NEA (MPFA) and the Board of Trustees of the Mendocino-Lake Community College District (District), and as a result of not resolving the grievance with the assistance of a mediator, Ms. Timmen hereby moves her grievance to the Board Level without advisory arbitration. Per Article 14.4.6.B.1, she would like to have her grievance heard in open session at the August 14, 2019 Board meeting. She would prefer to be present and have a hearing on the matter; however, she is aware that according to 14.4.6.B.2 it is ultimately the Board’s decision whether to consider this “appeal based solely upon the written record” or to have the grievant attend for “a hearing on the matter.” Should the Board choose to base their decision solely on the written record, please consider this (below and attached) Ms. Timmen’s account for that record.

The pertinent facts are as follows:

On or about March 31, 2019, Ms. Timmen was informed that she would not be assigned any classes for the Fall 2019 semester. (see Exhibit A – Notification of Intention Not to Re-Hire for Next Semester) For many years, Ms. Timmen has taught English 10 – Reading and Writing and English 12 – Intermediate Reading and Writing. Ms. Timmen understood that those classes were no longer going to be offered by the college; however, she was also previously assigned an English 200 – Reading and Composition class in the Fall of 2018, and those English 200 classes were and are still being offered. The English 200 class taught by Ms. Timmen in Fall 2018 was an add-on and does not show on the Class Schedule for the semester; however, the class syllabus and class roster are attached as evidence that she does indeed have the course history. (Exhibit B)

According to Article 4 – Assignments of the CBA (see Exhibit C attached):

4.1 In making assignments of part-time instructors, unit members who have previously taught a course will be given preference when that course is offered in subsequent semesters. Whether the District offers a section to a unit member will depend primarily on meeting qualifications and the previous performance of the member as evidenced by performance evaluations, student services records, and fulfilling other college requirements in a timely and professional manner.

While the English 10 and 12 classes were no longer being offered, Ms. Timmen had “previously taught” English 200. She meets the qualifications, has excellent evaluations, and by all accounts is an excellent employee.

Furthermore, we may look at Article 4.1.3:

4.1.3 The District will assign part-time unit members classes/hours after considering the Availability Form and considering the following criteria:
Ms. Timmen had completed the Availability Form; no one at the college has ever argued otherwise. Similarly, no one at the college has ever argued that her most recent evaluation isn’t excellent. As you can see from the attached seniority list for part-time English instructors (Exhibit D), Ms. Timmen began with the college in Spring 2011. She has course history, having taught English 200 in Fall 2018. Her qualifications are excellent. She has made it clear that she is available.

Based on the above, Ms. Timmen met with Rebecca Montes, Dean of Instruction, on April 12, 2019 for an informal discussion of her grievance for not being properly assigned classes. When that informal discussion did not bear fruit, Ms. Timmen formally filed the grievance in writing that same day, April 12th. (see Exhibit E – Statement of Grievance Form)

On April 16, 2019, Ms. Montes responded, stating that “only one Ukiah section of ENG 200 was assigned to an adjunct instructor in the fall. That section was assigned to an individual who has previously taught ENG 200 and has been employed by the college longer than Ms. Timmen. Therefore, the grievance is denied.” (Exhibit F)

As evidenced by Exhibit G, the Ukiah Campus Fall 2019 schedule, this is true on its face. All English 200 classes are being taught by full-time instructors (see list of full-time instructors attached as Exhibit H) except for Section 309, which is being taught by the more senior Mr. Dwyer (see part-time English Department seniority list, Exhibit D) who began in Fall 2010 as compared to Ms. Timmen’s Spring 2011 start. However, Ms. Timmen has made it clear throughout that she is willing to teach at any of the Mendocino College campuses. If you compare the Class Schedules for the other campuses (Exhibit I) for Fall 2019 and the part-time seniority list (Exhibit D), you will find that four (4) less senior part-time instructors have been assigned English 200 classes: Bailey (Fall 2018), Locascio (Fall 2018), Metzger (Spring 2018), and Shepherd (Fall 2018). Hellman at the Coast Center is, in fact, more senior (Fall 2008).

Willing to teach at any center where classes were available (and having previously taught at the North County campus several times over the years at the very least), Ms. Timmen continued the grievance (see Exhibit J) at the next level by writing to Vice-President Debra Polak.

Ms. Polak argues in her response (Exhibit K) that “those sections were assigned to instructors who have been teaching English 200 for more semesters than she has in alignment with the requirements of the Collective Bargaining Agreement.” However, the language about teaching “more semesters” isn’t anywhere in the CBA and doesn’t make sense when you look at the language of the contract and the Intention Not to Rehire as a whole. The statement that assigning those classes to other instructors is “in alignment with the requirements of the Collective Bargaining Agreement” is simply not supported for a number of reasons:

1) Article 4.1 reads “unit members who have previously taught a course will be given preference...” It does not read who have previously taught a course more often.

2) Article 4.1.3 reads “course history” and not more course history.
3) Article 4.2 reads:

For purposes of implementing 4.1, the District shall maintain a data base of unit members who taught for the District on a part-time basis within the previous four semesters, indicating courses taught for the District and the minimum qualifications/equivalencies recognized by the District. This information will be available on the portal. It is the responsibility of the unit member to notify Human Resources regarding any incorrect information.

This is very clear. When implementing Article 4.1 and assigning classes, the District must have a list of who taught any specific course in the last four semesters. That is the instructor’s course history. The language of Article 4.2 again does not apply any relevance to who may have taught a course more often—only that they had taught it.

4) Even Article 4.3, dealing with unfilled assignments after following Article 4.1, uses language making it clear that previously teaching a course for the District is the important factor. It reads:

For part-time assignments which remain unfilled after following 4.1, the District will then consider unit members who have not previously taught a specific course for the District but possess the appropriate minimum qualifications or equivalencies recognized by the District. These individuals will be considered along with the current applicant pool, prior to advertising the assignment.

Again it is clear that previously teaching a course is the significant factor in assignment under Article 4.1, and not previously teaching a course more than others may have taught it.

5) Even the Notification of Intention Not to Re-Hire for Next Semester (Exhibit A) does not have an option for ‘Course is being assigned to part-time instructors who have taught the course more often.’ Two options were marked on Ms. Timmen’s notification. One was “Course(s) previously assigned not offered next semester or no longer being offered.” This is true for the English 10 and 12 classes, however, not for the English 200 classes. “Course is being assigned to a full-time faculty member.” Since the English 10 and 12 classes were no longer going to be offered, this can only apply to the English 200 classes. It would be irrelevant to the English 10 and 12 classes. As demonstrated, it is true that at the Ukiah Campus most of the English 200 courses were being assigned to full-time faculty. Also, at the Ukiah campus and the Coast campus, English 200 courses were being assigned to more senior part-time instructors as required by Article 4.1.3 of the CBA. Again, however, “courses previously assigned” to Ms. Timmen were and are still being offered next semester—English 200 at other campuses—and were being assigned to less senior unit members. This clearly violates the CBA.

Based on the above reasoning, Ms. Timmen continued the grievance to the Superintendent level (Exhibit L) where Mr. Reyes continued to support Mr. Polak’s erroneous interpretation and again denied the grievance (Exhibit M).

Per the CBA, the parties attempted to resolve the issue with the help of a mediator on June 26, 2019 without success.
Subsequently, Ms. Timmen has chosen to forgo advisory arbitration and appeal the Board.

It is unconscionable that a long-time, valued employee such as Ms. Timmen would be treated in this manner and that the CBA should be so purposefully ignored. Based on all of the above, it is clear that Ms. Timmen should have been assigned classes. As remedy, Ms. Timmen requests that she be assigned classes as required for Fall 2019, or that she be paid and treated as though she had been assigned classes, or that she be made whole in coming semesters with not only the assignment of her regular number of classes (two per semester) but extra classes to make up for the loss in Fall 2019, or any other agreement amenable to both parties.

Course Description
English 200 is a foundation course in critical reading and writing skills required of those students intending to transfer to a university. Through their reading and discussion of selected prose works, students learn to identify problems, examine possible solutions, recognize unstated assumptions and values, appraise evidence, evaluate arguments, draw inferences, and test conclusions. Through their writing, students learn to analyze, synthesize, organize information logically, and propose original ideas. Lecture three hours per week.

Student Learning Outcomes
Upon satisfactory completion of English 200, students will be able to:

1. Demonstrate the ability to locate academic sources, use them appropriately in a research paper, and cite them using M.L.A. style documentation.
2. Demonstrate proficiency in college-level essays in a variety of rhetorical modes. Final drafts should include a clear, complex thesis statement, rigorous support, minimal sentence-level errors, logical organization, and consistent paragraph unity.
3. Read and evaluate a variety of expository texts and demonstrate the ability to analyze them.

Attendance

Mendocino College’s attendance policy states, “a student may be considered excessively absent when the cumulative absences exceed the total number of hours that the class meets during a week.” In our case, that is three hours or two classes. If you have a legitimate excuse for missing class, please contact me prior to that session, and I will make arrangements with you to turn in anticipated missed work. I do not accept late work for which no prior arrangements have been made.

Students with Disabilities

If you have a physical, psychiatric/emotional, medical, or learning disability that may impact your ability to carry out the assigned course work, please contact the staff in the Disability Resource Center. The D.R.C. phone number is 707-468-3031, and they are located in room 100 on the Ukiah campus.

Cell Phone Use

Cell phone use in the classroom is strictly prohibited. If you have an emergency, leave the classroom to conduct your business. The only exception to this rule is if I grant permission to use the device for dictionary or thesaurus purposes. There will be absolutely no texting during class. ARTICLE 4 – ASSIGNMENTS

The District retains the right of assignment within the parameters set forth in this article.

4.1

In making assignments of part-time instructors, unit members who have previously taught a course will be given preference when that course is offered in subsequent semesters. Whether the District offers a section to a unit member will depend primarily on meeting qualifications and the previous performance of the member as evidenced by performance evaluations, student services records, and fulfilling other college requirements in a timely and professional manner.

4.1.1 To facilitate the part-time unit member reemployment process, the District will:

a. Maintain a list of part-time unit members that includes date of initial hire by the District in any given department.

   (1) Unit members will maintain their original date of hire until there is a break in service of two consecutive academic years.

b. Maintain a data base of the courses that have been taught by part-time faculty employed by the District. The District will also maintain a data base of the non-teaching work program areas (such as general counseling, special program counseling, library work) worked by part-time faculty employed by the District.

c. Maintain a list of the qualifications of each member and the disciplines in which they meet the state minimum qualifications to teach or equivalency as determined by Board Policy 7211.1 in effect July 1, 2017.

d. Evaluate part-time unit members per Article 13 – Evaluation Procedures.

   (1) The lack of an evaluation will be the equivalent of a satisfactory evaluation.

4.1.2 Prior to assigning classes or hours to part-time unit members for the upcoming semester/term, the District will:

a. Request part-time unit members notify the District of their availability for the semester/term being scheduled early enough to complete the scheduling process.

   (1) The District shall notify all unit members at least one month prior to the development of the schedule for each semester or session. Part
time unit members will then have a minimum of 14 calendar days to complete the online Availability Form to the District.

(a) If the part time unit member does not return the form prior to the deadline, the District shall consider the unit member unavailable to consider for the current semester/term.

4.1.3 The District will assign part-time unit members classes/hours after considering the Availability Form and considering the following criteria:

a. Most recent evaluation
b. Date of hire and course history
c. Qualifications
d. Availability

4.1.4 Non-assignment of part time unit members

a. Part time unit members may not be given an assignment by the District for the following:

(1) One Unsatisfactory evaluation

(2) A Needs Improvement evaluation for two consecutive evaluation cycles which includes an improvement plan but where identified improvements were not made.

4.1.5 Release of assignment

(1) Actions enumerated in Education code 87732a-g* with due process afforded via the grievance procedure.

* 87732.
(a) Immoral or unprofessional conduct.
(b) Dishonesty.
(c) Unsatisfactory performance.
(d) Evident unfitness for service.
(e) Physical or mental condition that makes him or her unfit to instruct or associate with students.
(f) Persistent violation of, or refusal to obey, the school laws of the state or reasonable regulations prescribed for the government of the community colleges by the board of governors or by the governing board of the community college district employing him or her.
(g) Conviction of a felony or of any crime involving moral
4.1.6 If an adjunct unit member requests but does not receive an assignment for any given semester or session, the Instruction Office shall notify the unit member in writing through the Notification of Intention Not to Rehire for Next Semester form (Exhibit 6).

4.2 For purposes of implementing 4.1, the District shall maintain a data base of unit members who taught for the District on a part-time basis within the previous four semesters, indicating courses taught for the District and the minimum qualifications/equivalencies recognized by the District. This information will be available on the portal. It is the responsibility of the unit member to notify Human Resources regarding any incorrect information.

4.3 For part-time assignments which remain unfilled after following 4.1, the District will then consider unit members who have not previously taught a specific course for the District but possess the appropriate minimum qualifications or equivalencies recognized by the District. These individuals will be considered along with the current applicant pool, prior to advertising the assignment.

4.4 At the discretion of the District, a unit member may work over 33.5% (10 lecture hour equivalents) in one semester. When this is necessary, an annual contract as a temporary employee for the Fall and Spring semesters shall be issued at the beginning of the academic year. The contract may be amended during the year, but under no circumstances shall the annual contract exceed a total workload of 67% FTE (20 lecture hour equivalents) for the academic year. Reasons for an annual contract include, but are not limited to, the following:

- a unit member is only available to work for one semester in an academic year
- the teaching assignment includes a course which has a higher load in one semester than another (i.e., intercollegiate athletics)
- the absence or termination of a full-time faculty member

4.5 Unit members not employed by the District within the previous four semesters must reactivate their file prior to February 1st for consideration during schedule preparation for the following academic year.

4.6 Assignment Notifications:

4.6.1 “Notification of Intention Not To Re-Hire for Next Semester” (Exhibit 6) will be sent to part-time instructors who are teaching in the current semester but are not teaching in the next semester excluding summer. Notifications will be sent by November 30th for the Spring Semester and March 31st for the Fall Semester.
4.6.2 A Teaching Assignment Report will be e-mailed to each part-time faculty who are teaching in the current semester and are scheduled to teach in the next semester. This report will be sent by November 30th for the Spring semester and March 31st for the Fall semester. The Teaching Assignment Report will list all classes assigned to the part-time instructor in the next semester as of that date.

4.7 A written contract outlining the assignment will be sent to the unit member for his/her signature per regular District contract timeline (normally five weeks prior to the beginning of the semester barring any extenuating circumstances). Other written or verbal agreements are non-binding.

RE: Grievance Level I Response

Ms. Timmen asserts that she should have been assigned a section of ENG 200 in the fall. However, only one Ukiah section of ENG 200 was assigned to an adjunct instructor in the fall. That section was assigned to an individual who has previously taught ENG 200 and has been employed by the college longer than Ms. Timmen. Therefore, the grievance is denied.

Re:        Level II Grievance

I hereby move this grievance this to Level II. I continue to grieve per the rationale stated in the original grievance. In denying the grievance, the District has cited only that a more senior employee was assigned at the Ukiah campus. I have taught previously at other Mendocino College Centers. I was ready and willing and remain ready and willing to teach at any of the Mendocino College Centers: Ukiah, Lake, North County, or Coast. I have experience with English 200 and have shown that less senior people have been assigned to those classes that I am able and willing to teach. I continue to be available, and I have the qualifications, course history, and good evaluations to be assigned English 200—yet, I was not.

As remedy, I continue to request assignment to two sections of English 200; however, I would be willing to accept assignment to other English courses or any other remedy as agreed by both parties.

Employee's statement of alleged violation and grievance. What is the factual contention?
What has occurred? Provide full facts necessary to support your position. Attach additional paper if more room is needed.

Per Article 4.1, "In making assignments of part-time instructors, unit members who have previously taught a course will be given preference when that course is offered in subsequent semesters. Whether the District offers a section to a unit member will depend primarily on meeting qualifications and the previous performance of the member as evidenced by performance evaluations, student services records, and fulfilling other college requirements in a timely and professional manner." I have taught Eng. 200 in a subsequent semester, met all of the criteria, and believe that I should have been assigned to teach 2 sections Eng. 200 which were instead given to other instructors with lesser qualifications.

Per Article 4.1.3, "The District will assign part-time unit members classes/hours after considering the Availability Form and considering the following criteria: a. Most recent evaluation, b. Date of hire and course history, c. Qualifications, d. Availability." I have made it clear that I am available, and I have the qualifications, course history, and good evaluations to be assigned to Eng. 200 yet I was not.

State full relief, remedy, action, you believe is required to resolve this alleged grievance.
Attach additional paper if more room is needed.

Subject: Grievance Level II Response

Contrary to Ms. Timmen’s grievance, my contention is that appropriate assignments have been made of part-time instructors to English courses for the Fall 2020 semester. As required by the Collective Bargaining Agreement, Article 4.1.3, the District considered the following criteria in making assignments: a) most recent evaluation; b) date of hire and course history; c) qualifications; and d) availability. As pointed out by Dean Montes, all but one section of English 200 was assigned to full-time instructors. The one assigned to a part-time instructor is assigned to someone who has taught for the college longer than Ms. Timmen and has many more years of experience teaching transfer level English. Ms. Timmen adds in the Level II grievance that she could have been assigned sections of English 200 at one of the Centers. I do not agree with this statement. Those sections were assigned to instructors who have been teaching English 200 for more semesters than she has in alignment with the requirements of the Collective Bargaining Agreement.

Therefore, the grievance is denied.

Re: Level III Grievance

I hereby move this grievance to Level III. I continue to grieve per the rationale stated in the original grievance as well as the following. In denying the grievance at Level II, Ms. Polak (regarding English 200) stated that the “one assigned to a part-time instructor is assigned to someone who has taught for the college longer than Ms. Timmen and has many more years of experience teaching transfer level English.” This is inaccurate. As shown by the documents attached, there are two instructors assigned to teach English 200 in the Fall who are far less senior than myself. Angela Metzger was hired in Spring 2018, and Aaron Bailey was hired in Fall 2018. Both are assigned to the Lake campus. I have taught previously at other Mendocino College Centers. I was ready and willing and remain ready and willing to teach at any of the Mendocino College Centers: Ukiah, Lake, North County, or Coast. I have experience with English 200 and have shown that less senior people have been assigned to those classes that I am able and willing to teach. I continue to be available, and I have the qualifications, course history, and good evaluations to be assigned English 200—yet, I was not.

I also believe it is irrelevant that anyone might have (again per Ms. Polak’s letter) taught “English 200 for more semesters” than I did. The contract does read that “date of hire and course history” should be taken into account when making assignments; however, I have a much earlier date of hire, and nowhere does the contract state that it is relevant who has the “most” course history, only that one have history teaching the course. Furthermore, even if it were relevant, it is unlikely that someone just hired has “more” course history—but it doesn’t really matter anyway.

As remedy, I continue to request assignment to two sections of English 200; however, I would be willing to accept assignment to other English courses or any other remedy as agreed by both parties.

Re: Level III Grievance

After reviewing Ms. Timmen’s grievance, I have determined that Dean Montes and Vice President Polak have accurately interpreted and executed the Collective Bargaining Agreement regarding class assignments for Fall 2019. Ms. Timmen argues that because there are instructors assigned to English 200 with a more recent hire date, it was “unlikely that someone just hired has more course history.”

After reviewing the matter and the course history, it was determined the District acted appropriately in applying the criteria listed in 4.1.3 to correctly determine the most appropriate assignments. Therefore, the Level III grievance is denied.
EXHIBIT N
ARTICLE 14 - GRIEVANCE PROCEDURE

Purpose:
To provide an orderly procedure for reviewing and resolving grievances promptly.

14.1 Definitions:

14.1.1 Grievance: A formal written allegation by a grievant that the grievant has been adversely affected by a violation of a specific article, section or provision of this Agreement.

A. "Grievance" as defined in this Agreement shall be brought only through this procedure.

B. Actions to challenge or change the policies of the District as set forth in the policies, rules and regulations, or, administrative regulations and procedures not contained within this Agreement, must be undertaken under the separate process determined by present existing policies.

14.1.2 Grievant: Any member of the bargaining unit covered by the terms of this Agreement.

14.1.3 Day: A "day" (for purposes of this Grievance Article) is any day on which the central administrative office of the District is regularly open for business.

14.1.4 Immediate Supervisor: The immediate supervisor is the first District-designated supervisor or manager not within the same bargaining unit who has immediate jurisdiction over the grievant. This is generally the Dean of Instruction or Center Coordinator; it is not to be the full-time faculty mentor/evaluator.

14.2 Time Limits:

14.2.1 Grievant who fails to comply with the established time limits at any step shall forfeit all rights to further application of this Grievance Procedure relative to the grievance in question.

14.2.2 District failure to respond within established time limits at any step entitles the grievant to proceed to the next step.

14.2.3 Time is of the essence in all processing of grievances.
14.2.4 Time limits and steps may be waived by mutual written consent of the parties.

14.3 Other Provisions:

14.3.1 Member Rights: Nothing contained herein shall deny to any member his/her legal rights under state or federal constitutions and laws. No probationary member may use this Grievance Procedure in any way to appeal a discharge decision by the Board not to renew his/her contract for employment. No member shall use this Grievance Procedure to appeal any Board decision if such decision is applicable to a state or federal regulatory commission or agency, or state or federal law.

14.3.2 The grievant may be represented by a designee of the Association at any step of this Grievance Procedure. Neither the Board nor its representatives shall meet with any person acting as the representative of any employee group other than the Association on matters subject to this Grievance Procedure. District shall submit to the Association copies of any formal written grievance two (2) days after its filing.

14.3.3 Grievance Processing - Limits: Any grievance or alleged grievance which occurs during the period between the termination date of this Agreement and the effective date of a new agreement shall be processed under this Grievance Procedure. Any grievance which arose prior to the effective date of this Agreement shall not be processed under this procedure. Any grievance or alleged grievance which occurred or is alleged to have occurred and which the employee knew or should have known more than fifteen (15) days prior to notification of Level 1 with the immediate supervisor shall not be processed by the District.

14.4 Procedural Steps:

14.4.1 Level 1

A. Within fifteen (15) days of the time an employee knew or should have known of the occurrence of an alleged grievance, the employee shall notify by personal direct contact, written or verbal, the immediate supervisor or designee of the alleged grievance.

B. Within five (5) days following notification of the immediate
supervisor or designee, the employee shall discuss with the immediate supervisor or designee the alleged grievance.

C. If a satisfactory resolution is not reached within two (2) days of the discussion, the grievant shall present, within two (2) days thereafter, on the "Statement of Grievance Form", attached hereto as Exhibit 1, the Grievance in writing to the supervisor, or designee.

D. The supervisor, or designee, shall communicate the decision to the employee in writing within three (3) days after receiving the grievance. The grievant, supervisor, or designee may request a personal conference within the above time limits. Any meeting shall be by mutual agreement.

14.4.2 Level II

A. In the event the grievant is not satisfied with the decision at Level 1, the decision may be appealed on the appropriate approved form to the next higher manager, or designee, within five (5) days.

B. In order to be processed or considered, the appeal shall include copies of the original grievance and decision rendered, and the reason of the appeal.

C. The next higher manager, or designee, shall communicate the decision to the grievant in writing within seven (7) days of receiving the appeal. Either the grievant, the next higher manager, or designee, may request a personal conference within the above time limits. Any meeting shall be by mutual agreement.

14.4.3 Level III

A. If the grievant is not satisfied with the decision of Level II, he/she may appeal the decision in writing within five (5) days to the Superintendent/President, or designee.

B. The appeal shall include a copy of the original grievance and appeal with the decisions rendered, and the reasons of the appeal.

C. The Superintendent/President, or designee, shall communicate the decision in writing to the grievant within fifteen (15) days.
Either the grievant, the Superintendent/President, or designee, may request a personal conference within the above time limits. Any such meeting shall be by mutual agreement. (Advisory Arbitration is for the exclusive use of the Association. A grievant not represented by the Association shall, if not satisfied with the decision of Level III, within five (5) days, appeal the decision to the Board of Trustees.)

14.4.4 Level IV - Mediation
A. If the grievant and/or the Association is not satisfied with the disposition of the grievance at Level III, or if no disposition has occurred pursuant to the provisions of Level Three, the grievance shall be referred to grievance mediation.

B. The Association shall request that a conciliator/mediator from the California State Mediation and Conciliation Service be assigned to assist the parties in the resolution of the grievance.

C. At the earliest mutually agreeable time, the mediator shall meet with the Association, the grievant and the District for the purpose of resolving the grievance.

D. If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the grievant, the Association and the District. This agreement shall constitute a settlement of the grievance.

E. In the event that the grievant, the Association and the Superintendent/President or her/his designee have not resolved the grievance with the assistance of the conciliator/mediator within ten (10) days from the first meeting held by the conciliator/mediator, the Association may terminate Level Three and the grievance may proceed to Level Five.

14.4.5 Level V - Advisory Arbitration

A. In the event the Association is not satisfied with the decision at Level IV, it shall, within five (5) days, give written notice to the Superintendent/President demanding advisory arbitration.

B. Within five (5) days of receipt of the demand, the District shall
request of the California State Mediation and Conciliation Service, or other sources as the parties mutually agree upon, a list of seven (7) qualified arbitrators.

C. The arbitrator shall be selected within five (5) days, following receipt of the list of alternative striking names until only one (1) name remains -- such person shall be the arbitrator.

D. It shall be the function of the arbitrator, and he/she is so empowered except as his/her powers are herein limited, to make recommended decisions in cases of alleged violations of the specific Articles and sections of this Agreement.

1. The arbitrator shall have no power to:

   a. Add to, subtract from, disregard, alter or modify the terms of this Agreement;

   b. Establish, alter, modify or change any salary structure;

   c. Rule on:

      1. Termination of the services of, or failure to re-employ any probationary teacher;

      2. Any matter of unit member evaluation other than failure to comply with procedures or procedural aspects;

      3. Any claim or complaint for which there is another remedial procedure or course established by law or regulation having the effect of law.

2. The arbitrator's expenses, including any per diem fees, actual and necessary travel and subsistence expenses, and other fees and expenses shall be shared equally by the parties. Other expenses shall be borne by the parties incurring them. Neither party shall be responsible for the expense of witnesses called by the other.

   a. Notwithstanding the above paragraph, where an arbitrator's recommendation is in favor of the grievant, and the Board reverses such recommendation, the District agrees to pay the full cost of the arbitrator's
fees and expenses. Conversely, where an arbitrator's decision is in favor of the District and the Association appeals the affirmed decision to the courts, the Association agrees to pay the full costs of the arbitrator's fees and expenses.

3. Arbitration hearings may proceed under the rules as established by the arbitrator.

4. Arbitration hearings shall be conducted, wherever possible, within ten (10) days after selection; and the arbitrator shall be requested to provide recommendations, wherever possible, within ten (10) days of the hearing completion.

5. Advisory Arbitration Awards shall be in writing and furnished each party to the hearing.

14.4.6 Level VI - Board of Trustees

A. With Advisory Arbitration:

1. The Board shall consider the arbitrator's decision in public or closed session at its discretion at its next regular meeting, after receipt, provided a minimum seven (7) days elapse from receipt until the Board meeting.

2. The Board may implement the recommendations, may not implement in any way, may meet with the Association to discuss other alternatives, or may take other actions at its sole discretion.

3. The Board shall, within ten (10) days thereafter, submit its decision, in writing, to the Association.

4. The decision rendered shall be final as to the District. The Association reserves its full legal remedies including resource to court action.

B. Without Advisory Arbitration:

1. The Board shall consider the appeal in public or closed session, at the grievant's discretion, at its next regular meeting after receipt, provided a minimum fifteen (15) days elapse from receipt until the Board meeting.
2. The Board may consider the appeal based solely upon the written record, or may request the grievant to attend such session for a hearing on the matter.

3. The Board shall, within fifteen (15) days after the hearing, submit its decision, in writing, to the grievant.

4. The decision rendered shall be final as to the District. The grievant reserves his/her full legal remedies including recourse to court action.

SUBJECT: NOTIFICATION OF CLASSIFIED LAYOFFS – RESOLUTION 08-19-06

SYNOPSIS:

Adoption of Resolution 08-19-06, Notification of Classified Layoffs

RECOMMENDATION:

The Interim Superintendent/President recommends this item be approved as presented.

ANALYSIS:

The District was awarded HEP (High School Equivalency Program) grants from the U.S. Department of Education for the period July 1, 2014 through June 30, 2019. Funding was temporarily extended through October 31, 2019, pending final determination of grant continuation.

The High School Equivalency Program (HEP) grant helps migratory and seasonal farmworkers (or children of such workers) who are 16 years of age or older and not currently enrolled in school to obtain the equivalent of a high school diploma and, subsequently, to gain employment or begin postsecondary education or training.

The current funding extension for the HEP program will end October 31, 2019 consequently eliminating the categorically-funded positions related to the projects. However, based on budget considerations, there is enough funding extend that temporary period through December 31, 2019.

The ending of the grant has created the need to terminate specific classified positions, as reflected on Resolution 08-19-06, Notification of Classified Layoffs. Layoff provisions are set forth in Education Code sections 88014, 88017, 88117, and 88127. Classified employees must be given a 60-day written notice prior to any layoff action.

Adoption of this resolution authorizes administration to send layoff notices. The required notice will be sent to the affected Classified employees, informing them of this action and any related rights in accordance with California Law.

Reference Board Policy 7120, Recruitment and Hiring

MOTION/ACTION:

RESOLVED, that the Mendocino-Lake Community College District Board of Trustees does hereby adopt Resolution 08-19-06 and directs the Interim Superintendent/President to send layoff notices to those individuals currently employed in the HEP categorically-funded positions.
WHEREAS, due to lack of work and/or lack of funds, this Board hereby finds it is in the best interest of the Mendocino-Lake Community College District that certain services now being provided by the District be discontinued or reduced by the following extent.

NOW, THEREFORE, BE IT RESOLVED that the HEP Outreach Specialist and HEP Program Manager positions will be discontinued and/or reduced to the extent set forth above.

BE IT FURTHER RESOLVED that the administration hereby is authorized and directed to give notice of layoff to the affected classified employees of the District pursuant to the Education Code not later than 60 days prior to the effective date of layoff as set forth above.

SUBJECT: STUDENT EQUITY PLAN

SYNOPSIS:

Board approval of the 2019-2022 Student Equity Plan.

RECOMMENDATION:

The Interim Superintendent/President recommends this item be approved as presented.

ANALYSIS:

The Equity Plan being presented is the result of a thorough process that incorporated constituent feedback and support. Initiated in the Equity Committee, this plan was developed using input and direct assistance from its members. Comprised of representatives from all college constituent groups and co-chaired by management and faculty representatives, the Equity Committee worked throughout the Spring 2019 semester to develop the plan before you.

The plan itself incorporates work that is currently being done at the College and efforts we will be moving towards to reduce the identified equity gaps. This plan serves to capture the work Mendocino College will be pursuing to address equity gaps from 2019-2022. The Equity Plan, which is required as part of the Student Equity and Achievement Program guidelines and supports the Chancellor’s Office Vision for Success, has also been reviewed by Academic Senate and is now before you for consideration.

This plan has been added to our website and will be submitted to the Chancellor’s Office for review. The metrics that comprise the plan have been identified by both the Chancellor’s Office and by our college. Ultimately, this work is in support of our equity efforts and looks to remove all equity gaps for our disproportionally impacted student groups.

Reference Board Policy 5050, Student Success and Support Program

MOTION/ACTION:

RESOLVED, that the Board of Trustees of the Mendocino-Lake Community College District does hereby approves the 2019-2022 Student Equity Plan as presented.
EXECUTIVE SUMMARY

Equity is a cornerstone of all that we do at Mendocino College as we implement Guided Pathways. Mendocino College faculty, staff and administrators look through an ‘equity lens’ in order to be continually mindful of equity gaps for our students as we develop our planning processes. As part of a continuous improvement model, the Student Equity Committee has approved and supported goals with an eye towards increasing course completion rates for all students with a special focus on targeted populations. One of the ways that we have supported equity include the Student Equity Lending Library, where Student Equity funds paid for items such as graphing calculators and textbooks that can be borrowed by students identified in our equity plan as disproportionately impacted. The lending library was further expanded by acquiring Chromebooks for students to borrow as needed to complete their coursework. The Student Equity Committee has also identified the work at the Native American Student Resource Center (NASRC) as vital to providing support to a disproportionately impacted student group. Funding has been utilized from this program to staff the center in order to provide students with support services throughout the academic year. The NASRC has also been linked with the thriving MESA program and Learning Center for tutoring and support services. Student Equity funds were also utilized to hire a full-time outreach and student support specialist that focuses on providing assistance to our Native American students and other students identified as being disproportionately impacted in our Student Equity plan.

The Student Equity Committee, and Mendocino College as a whole, supports an environment where faculty, staff and administrators develop a deep understanding of multiculturalism and how institutional barriers lead to equity gaps among our disproportionately impacted student groups. In order to close the equity gaps, Mendocino College is continually working to provide students with a welcoming campus environment, inclusive of their different cultural backgrounds. By having a welcoming environment, students will be more likely to remain enrolled and be on a good path to complete their certificate or degree. To that end, Mendocino College has greatly increased the organization and promotion of culturally diverse events on campus. We’ve had campus celebrations recognizing the Native American community we serve, film screenings relating to the history of African Americans, supported the long running Latino Student Retreat and have developed an inclusive and collaborative approach to promote these events within our community.

From 2014-2017, Mendocino College contracted with USC’s Center for Urban Education (CUE) to help advance our equity work. CUE engaged several work groups of faculty, classified staff and administrators. The work groups examined equity gaps in student success and completion rates; scrutinized student experiences with student services on campus; and pursued professional development opportunities for our campus community. Faculty in Math and English examined their throughput rates for different student groups; work which contributed to acceleration in advance of AB705. Another significant outcome of this work was the revision of the matriculation process and improved communication to students about that process. A CUE work group of counselors, instructional faculty, and staff discovered that students had often been lost through our
confusing on-boarding process. Classified work groups advanced more transparency in the hiring process for students with work study and wider availability of textbooks for students in financial need. CUE also initiated professional development on "equity-mindedness" and implicit bias. Faculty, staff, and managers have all participated in lectures and workshops on equity and cultural awareness. Interviews conducted by CUE upon their exit in 2017 demonstrate that Mendocino College employees who had participated in CUE activities had a high awareness of their own biases, structural inequalities that create different realities for students, and the college's obligation to meet student needs in a different way.

One of the many projects started as part of our work with CUE was the Faculty Equity Project. The Faculty Equity Project is another example of a Student Equity funded activity that provides professional development and supports faculty in implementing practices and materials which promote student success and persistence in their course program. This semester long program allows faculty the opportunity to work with each other in developing equity minded practices that aim to reduce the unintentional barriers placed for students in the classroom. Using a peer observation model, faculty work with each other to develop their skills and be better able to provide students from all backgrounds with the attention and support they need to be successful. The Faculty Equity Project provides faculty with an awareness of how implicit bias creates inequities in education. Faculty assess their practices, policies, services, and curricula that impact inequities in student success through a process of guided self-inquiry. The project helps to close racial/ethnic gaps in student outcomes and improve student success through course-completion data review, discussions, and classroom and syllabi evaluation through an equity lens. Faculty are asked to set strategic goals aimed at closing gaps in student success and devise actions to take to support equitable outcomes in their course(s).

As mentioned in our Integrated Plan, an effective plan is grounded in data. Thus, identifying and monitoring achievement gaps is an important activity that we continue to perform. Our institutional is continuously looking to see if we are closing these gaps and analyzing the effectiveness of our various activities. Further, it remains important to pay attention to the data to monitor any groups that may not have originally been targeted with a mind towards closing all achievement gaps. Mendocino College is committed to advancing equity work through the utilization of our participatory governance process, primarily through the recommendations made by the Student Equity Committee and other equity related work within the institution.

**About Mendocino College**

Expansion of the District to include the Lake County Districts of Upper Lake, Kelseyville, and Lakeport occurred by vote of the citizens on November 5, 1974. The new District boundaries,

In 1981 the name of the District became Mendocino-Lake Community College District to better reflect the geographical area being served. In 2017, Mendocino acquired the Coast Center in Fort Bragg from College of the Redwoods. This acquisition expanded Mendocino College’s service area to the surrounding coastal community.

Equity Gap Data Analysis
The Student Equity Plan focuses on reducing equity gaps in the following areas: Access (Successful Enrollment); Retention (Fall to Spring); Transfer to a four-year institution; Completion of transfer level math and English; Earned credit certificate over 18 units, associate degree, CCC bachelor’s degree. The following is an analysis of the most recent Mendocino College data relating to the Student Equity Metrics disaggregated by race/ethnicity. The data within was collected from Mendocino College’s Institutional Researcher and from the Chancellor’s Office.

Target Groups
The work of the Mendocino College Student Equity Committee has focused on an analysis of campus data and discussions of equitable practices to support student success for all Mendocino College students, with special focus on the targeted populations - Foster youth, African American students, Native American students and Veterans. Both the Student Equity Committee and the District as a whole recognize that services developed to serve the targeted populations will also serve all Mendocino College students.

<tr>
<td>A</td>
<td>Reg2Go: Mendocino College maintains strong collaboration with high schools and school districts in Mendocino and Lake Counties and the surrounding region, through delivery of services. Reg2go outreach includes Five Steps to success (Application, Orientation, Placement, Education Plan &amp; Counseling, and Enroll) for prospective students, who are also informed about support services at the college. Mendocino College staff have developed a schedule with multiple high schools in our service area for regular visits that provide students with increased access opportunities.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>B</td>
<td>Cultural Events: Mendocino College has a long standing tradition of providing students and prospective students with culturally enriching events on campus. Events including the Native American Motivation Day, Native American Heritage Day, Latino Student Retreat, Dia De los Muertos Celebration, film screenings, among others, enrich the campus environment and lead to continued support of a culturally diverse campus community. All of these events provide students, prospective students and community members the opportunity to experience what the college has to offer and promotes a college-going culture.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>C</td>
<td>Center Support: Mendocino College has three academic centers (Coast, North County and Lake) that serve our geographically dispersed area. The Student Equity Committee is committed to providing support for activities that enhance the access of students in remote areas within our service region. Funding has been provided to enhance support in these areas, including Round Valley, to ensure that all students have access to the vital resources they need to be successful. Part-time staff, academic materials and supplies have been funded through our Equity program to ensure that students have access opportunities.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>D</td>
<td>Implementation of AB705: Effective FALL 2019, all students will have the opportunity to qualify for transfer level Math and English. Students will soon be able to place into Math and English courses using high school records and our new placement questionnaire instead of taking placement tests. Feedback and support for this implementation occurred in multiple participatory governance bodies and was led by the faculty of the Math and English departments. This collaborative approach used an ‘equity lens” to ensure that students were at the core of the implementation. Math and English faculty have used the participatory governance process to update the course sequences in their respective areas to provide students with access to transfer level courses within their first year, in accordance with AB705. Student will be placed using a multiple measures/self-placement approach, depending on the discipline, that will facilitate student access to transfer level Math and English courses.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>E</td>
<td>Integrated Orientation: The Student Services division has made significant improvements to the Student Orientation process to ensure great access for students. The online orientation tool has been continuously improved and is awaiting implementation of a significant update which will utilize additional data in multiple formats, including video. In advance of the Fall 2019 semester, Mendocino College is also organizing a New Student Welcome event which will incorporate aspects of the orientation process to ensure that students receive comprehensive support as we welcome them to the college community.</td>

</tbody>
</table>
Pomo Pathways: Developed in collaboration with the Coyote Valley Band of Pomo Indians, Pomo Pathways is a one-year program aiming to ease the transition to college for Native American Students. Entering its second cohort in the Fall 2019 semester, students for the program are provided with instruction, tutoring and other support services at the Coyote Valley Education Center for two semesters (Fall/Spring). The previous cohort had a total of 10 local Native American tribes represented among the students, which has significantly improved our support of this disproportionately impacted student group. Pomo Pathways has been a successful collaboration between Mendocino College and Coyote Valley Band of Pomo Indians to provide Native American students with a quality education and support services to promote student success.

Native American Student Resource Center (NASRC): Receiving funding from the Student Equity Program, the NASRC provides students with academic and social/emotional support throughout the academic year. Students are able to meet with staff and receive guidance in accessing college resources. The center also organizes student and community events in order to keep students engaged and help with the transition from Fall to Spring semester.

Supplemental Instruction (SI) Tutors/Student Mentors: Fall to Spring retention is greatly aided by high course completion rates. At Mendocino College, SI Tutors and Student Mentors provide peer to peer support for students in and outside the classroom. Tutors and mentors pair with faculty and/or support programs to provide students with additional resources supporting their success. SI tutors have been utilized in the classroom, including in the successful Pomo Pathways program, to support the work being done by faculty. Student mentors work with students seeking assistance at several centers, including the First Year Institute (FYI) and NASRC.

Completion of transfer level Math and English during the students first year is vital to meet the Vision for Success goals outlined by the Chancellor’s Office and in support of the goals developed by Mendocino College. SI Tutors and Student Mentors are being utilized in multiple areas, including the Pomo Pathways program, the Learning Center, FYI, among others, in order to provide students with the support they need as they participate in transfer level courses in their first year at Mendocino College. For example, in the Pomo Pathways program SI tutor support was available during class time (8 hours of SI tutoring per week) and students had one additional hour per week to meet with an SI tutor in Math and/or English. The additional tutor assistance in Basic Skills and college-level courses provided by the SI tutors was just one of the many student support features that added to the success of this program. Additionally, Equity funding was used to secure tutors for these Basic Skills Math and English courses in Fall 2018. The SI tutor attended one lecture per week and one hour of tutoring outside of class in the Learning Center. Basic Skills Math and English courses have been identified to have the largest number of disproportionately impacted students enrolled.

Counseling: Student Equity funding is utilized in the counseling department to provide semester long support for students. Particularly in the review of Academic Probation/Dismissal information, the counseling office connects with students to provide them support in order to increase their course completion, remove institutional barriers and link students with a clear success outline that will allow them to meet requirements to advance to the following term. In particular, Counselors reach students and update their education plans to meet the needs of students in light of recent challenges they may be facing. In addition to the general Counseling, the college has dedicated counselors in several programs, such as EOPS, FYI, CAMP and Student Equity groups. These dedicated counselors provide tailored support for students in their areas.

All counselors have received and continue to receive continuous professional development to keep abreast of changing transfer requirements. When students meet with our counseling team, they receive an education plan that is directly tied to their institutions of choice and are provided with a clear roadmap for reaching their transfer destination. Counselors, including those that are funded
<p>| <strong>J</strong> | Lending Library: Access to textbooks, calculators and computers has been increasingly difficult for many students, particularly those from disproportionately impacted student groups. Each academic year, the Student Equity Committee has recommended the enhancement of our lending library to provide students with a growing number of textbooks, in addition to calculators and computers they need throughout the semester. The access to this resource highly increases student course completion and promotes fall to spring retention. |
| <strong>K</strong> | Veteran Resource Center: Mendocino College recently underwent a process to request the relocation of the Veterans Resource Center in order to meet the growing needs of our veteran population. Following the participatory governance structure of the institution, a recommendation was made to relocate the center to a space that is more than 3 times bigger compared to the previous allocated Veteran Resource Center space. The new space, which will be finalized prior to the start of the Fall 2019 semester, will provide students with increased access to computers, study space, workshops and direct staff support. Creating a dedicated space that is more welcoming to this student group will greatly improve Fall to Spring retention. |
| <strong>L</strong> | Early Alert: The Counseling Center is using an Early Alert system, which lets instructors raise an alert when students are struggling academically, so instructors and counselors can intervene early to provide those students with coordinated support and referrals to other campus programs. All faculty are able to access this system to provide cross-functional support for students. Additionally, the following programs require a mid-term report from faculty to provide additional interventions depending on student performance: First Year Institute (FYI), College Migrant Program (CAMP), and Extended Opportunities Programs &amp; Services (EOPS). |
| <strong>M</strong> | College &amp; University Day: Each Fall semester, the Counseling Department coordinates a College &amp; University Day event that welcomes students from throughout our service area to discuss enrollment opportunities at many 4-year institutions. In the Fall 2018 semester, the event welcomed representatives from over 20 colleges and universities at our main campus to answer questions and provide vital information for students who are exploring transfer options. The representatives address admission requirements, transfer options, financial aid, and housing questions, among many other topics. |
| <strong>N</strong> | College &amp; University Representative Visits: Throughout the academic year, the Counseling Department organizes visits from individual representatives from several colleges and universities. Representatives from UC Santa Cruz, Sonoma State University, and Sacramento State University, among others, have visited campus to offer students individualized support with the transfer process. |</p>
<table>
<thead>
<tr>
<th>O</th>
<th>College/University Visits: Mendocino College supports the use institutionally organized field trips to visit college and university campus within California. Several categorical and academic programs, including FYI, CAMP, MESA, NASRC, EOPS and others, take students on trips to visit colleges and universities in order to explore options available to them. For many of our students, this is the first time they visit a university campus. Therefore it is very important to provide them the opportunity to see what options are available to them and to see themselves on university campus.</th>
</tr>
</thead>
<tbody>
<tr>
<td>P</td>
<td>College &amp; Career Success (CCS) Courses: Faculty have developed a curriculum that greatly explores career and transfer options for students participating in CCS courses. Students receive guidance on possible career opportunities and the paths needed to enter those career fields. Students are also exposed to the resources available to them to explore transfer options. Since the courses are mainly taught by our Counseling faculty, students receive direct support from an expert in transfer requirements and services. CCS courses allow students the opportunity to explore many industries. Certificate offerings are amongst the topics discussed during these classes. Faculty share information with students about how to pursue certificate programs and how they will lead to jobs upon completion.</td>
</tr>
<tr>
<td>Q</td>
<td>Professional Development: Professional development will focus on developing practices among faculty and staff which support student success as defined by our goals. Because of emerging technology in education planning, training will be needed to fully implement these important tools. Professional development on guided pathways which allows for inter-departmental collaboration will be key over the next two years. Also, professional development for faculty that allows for an examination of their curriculum, practices and materials will be key in increasing student success. Finally, professional development which increases collaboration between Instruction and Student Services will support achievement of our student success goals.</td>
</tr>
<tr>
<td>R</td>
<td>School Supplies: Removing barriers is at the core of reducing student equity gaps. Disproportionately impacted student groups are increasingly unable to secure basic needs to aid their college success, including school supplies. Equity funds have been used to provide students with basic school supplies in order to aid their success in their first year at Mendocino College, which includes their participation in Math and English courses. For example, students in Round Valley have received school supplies, such as pens, paper, calculators, highlighters, etc., at the start of the school year because they are not in close proximity to a large retailer and are often in situations where they are unable to secure those items.</td>
</tr>
<tr>
<td>S</td>
<td>Online Tutoring: Mendocino College and the Learning Center has a partnership with NetTutor, providing online real-time tutoring to all Mendocino College Math and English students. This partnership has continued to expand over time and students are able to receive real-time tutoring assistance at any time during the semester to facilitate the completion of their coursework. Thus leading to increased success in Math and English courses.</td>
</tr>
</tbody>
</table>
Technology: Student Equity funds have been used to enhance our technology in order to facilitate student success. In particular, Mendocino College is in the process of implementing the Student Planning tool in Colleague, our system of record. Students will be able to use this tool to better inform themselves about progress being made towards the completion of their educational goals, including certificate completion. Full implementation of this system is expected before the end of the Fall 2019 semester. Additionally, Mendocino College has acquired a tool that will allow us the ability to automatically award students with Degrees/Certificates if they meet the program requirements. Previously, students needed to make this assessment on their own or in consultation with a Counselor, then make a formal request of the Admissions & Records Department to request awarding of the certificate. This assessment will now be done automatically by the College to further remove barriers for our students and aid in the completion of degrees/certificates.

Career Hub: Mendocino College has reintroduced a career center on campus that will be open to students by the start of the Fall 2019 semester. At the Career Hub, students will be able to explore career opportunities, receive career assessments, utilize resources to identify career possibilities and link their findings with existing offerings at Mendocino College, including certificate programs. The Hub will host workshops and community events linking students with local opportunities and provide information on how our certificate offerings can lead them to employment within the area.

Cooperative Work Experience Opportunities and Awareness: Mendocino College has a long standing Cooperative Work Experience program that provides students with increased opportunities to improve their skills while pursuing their studies. Our faculty and staff make connections with local employers to link students with a field of interest in order to enhance their employment prospects. The Student Equity Committee is committed to promote the expansion of this service to students, which will be linked with the newly reintroduced Career Hub.

PROCESS & SCHEDULE

Outline a process and schedule for evaluating the progress made toward meeting your student equity goals.

Mendocino College is committed to a continuous improvement model that relies primarily on the work of the Student Equity Committee and the Office of Institutional Effectiveness, Research and Grants for evaluating the progress being made towards eliminating all student equity gaps. The Student Equity Committee, which is co-chaired by an administrator and a faculty member, is comprised of a cross-functional group of College representatives from all constituent groups at the institution, including students. Community members are also invited to participate in the process, which further enhances the diversity and input from the community we serve towards meeting the needs of all our students. Mendocino College has adopted the following goals, which align with the Vision for Success Goals: Increase all students who earned an Associate Degree (including ADTs); Increase all students who earned a Chancellor’s Office Approved Certificate; Increase all students who attained the Vision Goal Completion Definition; Increase all students who earned an Associate Degree for Transfer; Increase all students who transferred to a CSU or UC Institution; Decrease average number of units accumulated by all associate degree earners; Increase median annual earnings of all students; Increase all students who attained, the living wage; Increase all students with a job closely related to their field of study. To this end, the Student Equity Committee and the Office of Institutional Effectiveness, Research and Grants will conduct a review of
progress being made towards meeting those goals by disaggregating the data for all student groups and update activities identified in this plan as necessary. This analysis will occur every Fall and Spring semester by reviewing the latest data upon completion of the previous term. The review of the data and the recommendation of updates in services and activities will be made to the Vice President of Student Services in order to address any needs that arise from the analysis. The Vice President of Student Services will then work with the Student Equity Committee and other appropriate committees to update the activities identified in this plan with the aim of continuously working towards reducing equity gaps and meeting institutional set goals.

SUCCESS CRITERIA

How will your college ensure coordination across student equity-related categorical programs or campus-based programs?

Mendocino College developed the tri-chaired Guided Pathways Implementation Team in order to implement the Guided Pathways framework at our institution. This group, chaired by a faculty member, a classified staff member and an administrator, and which is comprised with equal representation from each employee constituent group and has student members, embodies the collaborative and inclusive approach our institution has developed as part of utilizing an ‘equity lens’ in the work we do. Similarly, the Student Equity Committee, which is represented within the Guided Pathways Implementation Team by sharing some membership, has wide college representation amongst its members. Representatives from Student Services, Instruction and Administrative Services serve on the committee and provide insights from their respective areas of responsibility to greatly contribute to the work being done. Several representatives from different categorical and campus based programs participate on these committees. Furthermore, the Student Services Division, through the Student Equity Committee, Student Services Council and the Office of the Vice President, closely monitors or closely works with all equity, categorical and campus based programs to foster a collaborative approach. Through the participatory governance model, Mendocino College has relied on constituent participation to ensure coordination across multiple committees, departments and divisions. This will continue to be the model used to ensure continued collaboration at our institution.

SUBJECT: COLLEGE AND CAREER ACCESS PATHWAYS (CCAP) PARTNERSHIP AGREEMENTS – SECOND READING

SYNOPSIS:

New College and Career Access Pathways (CCAP) Partnership Agreements are presented for approval.

RECOMMENDATION:

The Interim Superintendent/President recommends this item be approved as presented.

ANALYSIS:

CCAP agreements came about from AB 288 passed in 2015. They are agreements between governing boards of community college districts and K-12 districts. The agreements offer or expand dual enrollment opportunities for students who may not already be college bound or who are underrepresented in higher education. The goal is to develop seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school students achieve college and career readiness. CCAP agreements allow for students to enroll in up to 15 units per term; classes do not have to be open to the public; classes must be part of a pathway; agreements must be presented to the governing board twice at subsequent meetings and submitted to the Chancellor’s Office for approval; and there are additional reporting requirements including data sharing agreements.

In adopting the attached CCAP Agreements, the Governing Board of the Mendocino-Lake Community College District and Kelseyville Unified School District, Lakeport Unified School District, and Upper Lake Unified School District certify compliance with the following regulations required for the adoption of said CCAP Agreements:

1) CCAP Agreements shall be presented as an informational item at an open public meeting of each governing board EC § 76004 (b). The three CCAP agreements were presented for their first reading at the June 12, 2019 meeting.

2) The governing board of each district, at a subsequent open public meeting of that board, shall take comments from the public and approve or disapprove the proposed AB 288 CCAP Agreement.

Reference Board Policy 5010, Admission, Enrollment and Attendance

Administrative Procedure 5011.2, Admission and Concurrent Enrollment of High School and Other Young Students – College and Career Access Pathways (CCAP)

MOTION/ACTION:
RESOLVED, That the Mendocino-Lake Community College District Board of Trustees does hereby approve the CCAP Agreements with Kelseyville Unified School District, Lakeport Unified School District, and Upper Lake Unified School District as presented.
College and Career Access Pathways (CCAP) Partnership Agreement Between
Mendocino-Lake Community College District and Kelseyville Unified School District

Agreement No: Dated:

I. RECITALS

Whereas, Assembly Bill No. 288, approved by the Governor and filed with the Secretary of State on October 5th, 2015 allows the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district for the purpose of offering or expanding dual enrollment opportunities for students who may not already be college bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness,

And whereas, allowing a greater and more varied segment of high school pupils to take community college courses can provide numerous benefits, such as reducing the number of high school dropouts, increasing the number of community college students who transfer and complete a degree, shortening the time to completion of educational goals, and improving the level of preparation of students to successfully complete for credit, college level courses,

And whereas, through dual enrollment partnerships, school districts and community college districts can create clear pathways of aligned, sequenced coursework that will allow students to more easily and successfully transition to for credit, college level coursework leading to an associate degree, transfer to the University of California or the California State University, or to a program leading to a career technical education credential or certificate,

The Mendocino Lake Community College District (MLCCD) and Kelseyville Unified School District (KUSD) have entered into the following agreement.

II. LEGAL AUTHORITY AND ADOPTION

Assembly Bill 288 authorizes a community college district and a high school district to enter into a CCAP partnership provided that both districts have approved a CCAP Partnership Agreement which shall govern the partnership.

CCAP Partnership agreements shall be presented as an informational item at an open public meeting of each governing board EC § 76004(b).

• The governing board of each district, at a subsequent open public meeting of that board, shall take comments from the public and approve or disapprove the proposed AB 288 CCAP Partnership Agreement.

Furthermore, the governing boards of Mendocino Lake Community College District and Kelseyville Unified School District agree that a copy of this CCAP Partnership Agreement shall be filed with the Chancellor’s Office of the California Community Colleges, with the understanding that the Chancellor of the California

The faculty shall be responsible for discipline within the classroom. Should the instructor need to remove a student from a class session they shall notify the principal or principal's designee at the appropriate KUSD high school campus immediately.

XII. CANCELLATION AND TERMINATION

The following agreement may be canceled by written notification from either district to the other district. Should the cancellation be made during a period when a CCAP course is being offered the cancellation will take effect prior to the subsequent term.

XIII. INSTRUCTION FOR APPORTIONMENT

MLCCD shall provide documentation that instruction claimed for apportionment under this agreement/contract is under the immediate supervision and control of an employee of the district who has met the minimum qualifications for instruction in the discipline of the course in a California community
college. Instructors shall provide the supervision and control necessary for the protection of the health and safety of students and may not have any other assigned duty during the instructional activity (as a general rule, faculty must be physically present in the classroom or lab or within line of sight of the students). Cal. Code Regs., Title 5, §§ 58050, 58051, 58056, 58058

a. Where the instructor is not a paid employee of MLCCD, the district shall have an additional written agreement/contract with each instructor requiring student attendance and FTES be reported by the instructor as required by the college or community college district and stating that MLCCD has the primary right to control and direct the instructional activities of the instructor. Cal. Code Regs., Title 5, § 58058(b)

b. MLCCD shall demonstrate control and direction through such actions as providing the instructor an orientation, instructor’s manual, course outlines, curriculum materials, testing and grading procedures, and any other materials and services it would provide to its hourly on-campus instructors.

c. Attendance at a MLCCD dual enrollment orientation is required for instructors of CCAP courses prior to each term that they teach a CCAP course.

d. To claim Average Daily Attendance (ADA) for K12 funding, the K12 district must determine how many instructional minutes a student is offered and scheduled for, as well as that student’s attendance during the K12 school day. If a high school student has been scheduled for the minimum instructional minutes per day under the immediate supervision and control of a certificated employee of the school district and has been offered a full schedule, the district may claim attendance towards apportionment for that student for each day the student attends at least some part of the instructional day at the high school. If that student then goes to a college course that meets the requirements to claim Full Time Equivalent Student (FTES), the college may also claim full apportionment for that student in that college course.

College and Career Access Pathways (CCAP) Partnership Agreement Between
Mendocino-Lake Community College District and Lakeport Unified School District

Agreement No: Dated:

I. RECITALS

Whereas, Assembly Bill No. 288, approved by the Governor and filed with the Secretary of State on October 5th, 2015 allows the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district for the purpose of offering or expanding dual enrollment opportunities for students who may not already be college bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness,

And whereas, allowing a greater and more varied segment of high school pupils to take community college courses can provide numerous benefits, such as reducing the number of high school dropouts, increasing the number of community college students who transfer and complete a degree, shortening the time to completion of educational goals, and improving the level of preparation of students to successfully complete for credit, college level courses,

And whereas, through dual enrollment partnerships, school districts and community college districts can create clear pathways of aligned, sequenced coursework that will allow students to more easily and successfully transition to for credit, college level coursework leading to an associate degree, transfer to the University of California or the California State University, or to a program leading to a career technical education credential or certificate,

The Mendocino Lake Community College District (MLCCD) and Lakeport Unified School District (LUSD) have entered into the following agreement.

II. LEGAL AUTHORITY AND ADOPTION

Assembly Bill 288 authorizes a community college district and a high school district to enter into a CCAP partnership provided that both districts have approved a CCAP Partnership Agreement which shall govern the partnership.

In adopting this CCAP Partnership Agreement, the governing boards of the Mendocino Lake Community College District and the Lakeport Unified School District, certify compliance with the following regulations required for the adoption of a CCAP Partnership Agreement:

CCAP Partnership agreements shall be presented as an informational item at an open public meeting of each governing board EC § 76004(b).

• The governing board of each district, at a subsequent open public meeting of that board, shall take comments from the public and approve or disapprove the proposed AB 288 CCAP Partnership Agreement.

Furthermore, the governing boards of Mendocino Lake Community College District and Lakeport Unified School District agree that a copy of this CCAP Partnership Agreement shall be filed with the Chancellor’s Office of the California Community Colleges, with the understanding that the Chancellor of the California
Community Colleges may void this CCAP Partnership Agreement if it is determined to not comply with the intent of the requirements of EC § 76004.

Cal. Code Regs., Title 5, § 58058(b)

b. MLCCD shall demonstrate control and direction through such actions as providing the instructor an orientation, instructor’s manual, course outlines, curriculum materials, testing and grading procedures, and any other materials and services it would provide to its hourly on-campus instructors.

c. Attendance at a MLCCD dual enrollment orientation is required for instructors of CCAP courses prior to each term that they teach a CCAP course.

d. To claim Average Daily Attendance (ADA) for K12 funding, the K12 district must determine how many instructional minutes a student is offered and scheduled for, as well as that student’s attendance during the K12 school day. If a high school student has been scheduled for the minimum instructional minutes per day under the immediate supervision and control of a certificated employee of the school district and has been offered a full schedule, the district may claim attendance towards apportionment for that student for each day the student attends at least some part of the instructional day at the high school. If that student then goes to a college course that meets the requirements to claim Full Time Equivalent Student (FTES), the college may also claim full apportionment for that student in that college course.

College and Career Access Pathways (CCAP) Partnership Agreement Between
Mendocino-Lake Community College District and Upper Lake Unified School District

Agreement No: Dated:

I. RECITALS

Whereas, Assembly Bill No. 288, approved by the Governor and filed with the Secretary of State on October 5th, 2015 allows the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district for the purpose of offering or expanding dual enrollment opportunities for students who may not already be college bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness,

And whereas, allowing a greater and more varied segment of high school pupils to take community college courses can provide numerous benefits, such as reducing the number of high school dropouts, increasing the number of community college students who transfer and complete a degree, shortening the time to completion of educational goals, and improving the level of preparation of students to successfully complete for credit, college level courses,

And whereas, through dual enrollment partnerships, school districts and community college districts can create clear pathways of aligned, sequenced coursework that will allow students to more easily and successfully transition to for credit, college level coursework leading to an associate degree, transfer to the University of California or the California State University, or to a program leading to a career technical education credential or certificate,

The Mendocino Lake Community College District (MLCCD) and Upper Lake Unified School District (ULUSD) have entered into the following agreement.

II. LEGAL AUTHORITY AND ADOPTION

Assembly Bill 288 authorizes a community college district and a high school district to enter into a CCAP partnership provided that both districts have approved a CCAP Partnership Agreement which shall govern the partnership.

CCAP Partnership agreements shall be presented as an informational item at an open public meeting of each governing board EC § 76004(b).

• The governing board of each district, at a subsequent open public meeting of that board, shall take comments from the public and approve or disapprove the proposed AB 288 CCAP Partnership Agreement.

Furthermore, the governing boards of Mendocino Lake Community College District and Upper Lake Unified School District agree that a copy of this CCAP Partnership Agreement shall be filed with the Chancellor’s Office of the California Community Colleges, with the understanding that the Chancellor of the California
Community Colleges may void this CCAP Partnership Agreement if it is determined to not comply with the intent of the requirements of EC § 76004.

XI. PROCEDURES, TERMS, AND CONDITIONS

a. Enrollment Process and Period
Students will be added to the CCAP courses held on the Upper Lake School campuses through registration conducted on site at Upper Lake School campuses. CCAP students will be granted level 3 priority registration and may also enroll in additional college courses held outside of the normal school day (exp. online courses, summer school courses).

b. Class Hours

The timing of the courses shall be set by mutual agreement between Mendocino Community College and Upper Lake High School.

c. Evaluation of Students

College faculty instructing the course shall be responsible for the supervision and evaluation of the students. ULUSD shall be responsible for assigning high school credit for the coursework CCAP students complete where appropriate.

d. Course timing and length

MLCCD shall insure that: the appropriate number of class hours are scheduled to meet the performance objectives of the course; the enrollment period for each CCAP course falls within the normal school day within which courses are offered at one or more Upper Lake School high school campuses; and that high school students participating in the CCAP are not required to attend class on dates in which the high school is not in session. The high school may require students to attend class on dates in which the college is not in session. Instruction may not be scheduled on legal holidays. Under the circumstance that a CCAP class begins after the start of, or concludes prior to the end of the high school term, it will be the responsibility of ULUSD to arrange additional instruction if required by ULUSD. Scheduling classes outside of the Mendocino College term is at the sole discretion of MLCCD.

e. Conduct and Discipline

CCAP participants shall comply with the standards of student conduct as described under Mendocino Lake Community College District Board Policy (5500.1). These regulations are designed to represent reasonable standards of conduct. Violations of the code may subject individuals to disciplinary action, which is consistent with the requirements of due process.

The faculty shall be responsible for discipline within the classroom. Should the instructor need to remove a student from a class session they shall notify the principal or principal’s designee at the appropriate ULUSD high school campus immediately.

XII. CANCELLATION AND TERMINATION

The following agreement may be canceled by written notification from either district to the other district. Should the cancellation be made during a period when a CCAP course is being offered the cancellation will take effect prior to the subsequent term.

XIII. INSTRUCTION FOR APPORTIONMENT
MLCCD shall provide documentation that instruction claimed for apportionment under this agreement/contract is under the immediate supervision and control of an employee of the district who has met the minimum qualifications for instruction in the discipline of the course in a California community college. Instructors shall provide the supervision and control necessary for the protection of the health and safety of students and may not have any other assigned duty during the instructional activity (as a general rule, faculty must be physically present in the classroom or lab or within line of sight of the students). Cal. Code Regs., Title 5, §§ 58050, 58051, 58056, 58058

a. Where the instructor is not a paid employee of MLCCD, the district shall have an additional written agreement/contract with each instructor requiring student attendance and FTES be reported by the instructor as required by the college or community college district and stating that MLCCD has the primary right to control and direct the instructional activities of the instructor. Cal. Code Regs., Title 5, § 58058(b)

b. MLCCD shall demonstrate control and direction through such actions as providing the instructor an orientation, instructor’s manual, course outlines, curriculum materials, testing and grading procedures, and any other materials and services it would provide to its hourly on-campus instructors.

c. Attendance at a MLCCD dual enrollment orientation is required for instructors of CCAP courses prior to each term that they teach a CCAP course.

d. To claim Average Daily Attendance (ADA) for K12 funding, the K12 district must determine how many instructional minutes a student is offered and scheduled for, as well as that student’s attendance during the K12 school day. If a high school student has been scheduled for the minimum instructional minutes per day under the immediate supervision and control of a certificated employee of the school district and has been offered a full schedule, the district may claim attendance towards apportionment for that student for each day the student attends at least some part of the instructional day at the high school. If that student then goes to a college course that meets the requirements to claim Full Time Equivalent Student (FTES), the college may also claim full apportionment for that student in that college course.

More information on apportionment is available here:

Cal. Code Regs., Title 5, § 53410.

XV. PUBLIC ACCESS

The districts acknowledge that enrollment in the courses described in this CCAP partnership agreement, which are offered during the school day at one or more ULUSD campuses, shall be limited to CCAP participants and shall not be open to the general public.

The districts further acknowledge that courses which are not part of this CCAP must continue to meet the following requirements:

b. Courses which are not covered by this CCAP agreement must be open to any person who has been admitted to the college and has met any applicable prerequisites. Cal. Code Regs., Title 5, §§ 51006, 58106,

Code Regs., Title 5, § 55005) along with a description of the course and information about whether the course is offered for credit and is transferable must be published in the college catalogue, schedule of classes, and any addenda to the schedule of classes. Cal. Code Regs., Title 5, § 51006,

Degree and certificate programs must have been approved by the California Community Colleges Chancellor’s Office and courses that make up the programs must be part of the approved programs, or the college must have received delegated authority to separately approve those courses locally. Cal. Code Regs., Title 5, § 58050(a)(1).

XVI. CONSISTENCY, ATTENDANCE AND GRADES

MLCCD shall ensure that procedures are put into place by the college to ensure that faculty teaching different sections of the same course teach in a manner consistent with the approved outline of record for that course. Cal. Code Regs., Title 5, § 55002, 58050(a)(5).

Permanent records of student attendance, grades, and achievement will be maintained by the college. Additional CCAP participant records which are maintained by the high school, such as students’ GPA or high school graduation status, will be submitted on a schedule agreed upon between the college and ULUSD. Cal. Code Regs., Title 5, § 55021; 55040; 58030.

XVII. FULL COMPENSATION / CERTIFICATION

MLCCD shall certify that it has not received full compensation, from any public or private agency, individual or group, for the direct education costs of the courses offered through this partnership agreement. EC § 84752; Cal. Code Regs., Title 5, § 58051.5. MLCCD shall obtain certification from the school district verifying
that the instructional activity to be conducted will not be fully funded by other sources. EC § 84752; Cal. Code Regs., Title 5, § 58051.5.

XVIII. DISTRICT BOUNDARIES

MLCCD and ULUSD agree that if the course(s) in this CCAP agreement will be located outside the boundaries of the district, the district must comply with the requirements of Title 5, sections 55300 et seq., concerning approval by adjoining high school or community college districts and use of non-district facilities.

XIX. RECORD KEEPING AND COMPUTATION

MLCCD acknowledges that in all cases, standard FTES computation rules, support documentation, course section tabulations, and record retention requirements continue to apply, including as prescribed by Cal. Code Regs., Title 5, §§ 58003.1 et seq., 58020 et seq., 58030 and 59020 et seq.

XX. ACCESS AND ACCOMMODATIONS

Upon identifying themselves to the instructor and the college, students with disabilities shall receive reasonable accommodation for learning and evaluation.

XXI. HOLD HARMLESS AGREEMENT AND INSURANCE

a. To the fullest extent permitted by law, MLCCD shall indemnify and hold harmless ULUSD, its directors, officers and employees, from any and all liability claims, damages, costs and expenses, including attorney’s fees, caused by or resulting from the negligent or intentional acts or omissions of MLCCD or any of MLCCD’s employees. ULUSD shall indemnify and hold harmless MLCCD, its directors, officers, and employees, from any and all liability, claims, damages, costs and expenses, including attorney’s fees, caused by or resulting from the negligent or intentional acts or omissions of ULUSD or any of ULUSD’s employees. Neither party shall cover any negligent acts or omissions of the other. In the event of any such claim is made, or suit filed, both Parties shall give the other prompt written notice thereof, and each shall have the right to defend or settle. A Party that intends to seek an indemnity or hold harmless from the other Party shall notify the other Party in writing thereof, and within a reasonable time after the Party knows or becomes aware of any claim arising out of, resulting from or relating to this Agreement that may or has resulted in a loss, describing (if known or determinable) the pertinent circumstances, all entities and persons involved, and the amount(s) being claimed, and shall not settle or resolve the claim until it has notified the other Party of the claim in accordance with the provisions of this subsection and given the other Party an opportunity to participate in and consent to the settlement or resolution of the claim, which consent the other Party shall not unreasonably withhold.

b. Without limiting the above indemnification provision and during the term of this Agreement, ULUSD shall obtain and maintain, and shall require their subcontractors to obtain and maintain, liability insurance coverage in the amount of not less than one million dollars ($1,000,000.00) to cover any classroom incident, accident, or illness. Each Party’s insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by the other Parties, and shall be provided and maintained at the Party’s own expense.
c. ULUSD agrees to provide a Certificate of Insurance verifying liability coverage in the amount of one million dollars. MLCCD and ULUSD agree to add and include each other’s officials, officers, employees, agents and volunteers as an additionally insured in each other’s general liability insurance coverage, throughout the term of this Agreement. Each Party shall provide written notice to the other of any change to said coverage.

d. The Parties mutually agree to notify one another of any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against any of the Parties, and, of any actual third party claim or lawsuit arising from or related to services under this Agreement.

A report from the Executive Director of the Mendocino College Foundation is submitted as information.

During their June 11, Foundation Board of Directors meeting the board approved the 2019/20 budget and fundraising plans for the twelve affiliate organizations. In addition, they approved a fundraising “match” program of $500 for each affiliate organization that fundraises at least that amount in the 2019/20 fiscal year.

The Foundation’s annual Adopt A Fifth Grader “thank you” flyer has been mailed out to all donors and participating school districts. To date, there are 572 AAFG Alumni and to date the Foundation has been in direct contact with 20 of the 31 high school graduates regarding their scholarship funds.

The Governance Committee is actively recruiting new board members for the Foundation Board of Directors.

The Foundation’s website will be refreshed over the next two months and will include some new features for easier access and location of information.

Projects under consideration for this fall, include a new Foundation Biennial Report to the Public; Giving Tuesday campaign to support the Student Emergency Fund at Mendocino College; and Fall Newsletter.

The Foundation will be assisting the Art Department for their upcoming Wild Fire exhibit and play during the month of October.

Reseaching and developing a fundraising plan for the creation of a permanently funded Promise Program which would offer free tuition to eligible students within our district.

An internal search was recently conducted for an Administrative Assistant II- Foundation Office. We are hopeful to have a new addition to the staff within the next month pending the required district approvals.

The next Foundation Board of Directors meeting will be held on August 13 at the Coast Campus.

SUBJECT: CONSTITUENT GROUP REPORTS

SYNOPSIS:

A report from the Constituent Groups to the Board of Trustees is submitted as information.

ANALYSIS:

*Academic Senate:*

The following report was submitted by Academic Senate President Catherine Indermill:

As you know I attended the ASCCC Leadership Institute in June. As with all ASCC events this was well organized, informative and well worth the time. The emphasis of the annual Leadership Institute is how to help bridge the gaps between administration and faculty in an effort to enhance participatory governance and reaffirm the faculty responsibility to governance per Title 5 and AB 1725. I attended a variety of sessions, including:

- Legislative Cycle and Advocacy: Political Landscape and Power Dynamics of Sacramento
- Budget, Legislation, and What Local Faculty Leaders Should Know
- Consultation and Governance
- The Community College Budget
- Resolution Writing
- Empowerment. Leadership. Voice. The Power of Relationship Building for an Effective Academic Senate
- Minimum Qualifications, Equivalency, and Assigning Courses to Disciplines
- Regional Area Meeting: Building A Community

I am encouraged by recent efforts MLCCD has made to work with the constituent leaders. Together we can have a greater positive impact on our students.

As we move towards a new chapter at the College and begin the process to replace our Superintendent / President it is imperative we are very purposeful and deliberate in these efforts and focus on open communication and collaboration.

It is the interest of the faculty that we begin our search immediately. As mentioned previously (June 13th BOT Report), replacing the Superintendent / President is a lengthy process, recently for some districts it has taken 18-24 months.

From discussions with colleagues at other colleges and from ACCJC, it is my understanding that we will fair better with our accreditation review if we demonstrate a concerted effort to replace our Superintendent / President in a timely fashion, rather than waiting until the review is complete. It will be important to demonstrate the steps we are taking, our timeline and progress made in our Institutional Self Evaluation Report (ISER).

I look forward to actively engaging with the board as we move through this process.
**Classified Senate:**

The following report was submitted by Classified Senate President Jeana Thompson:

The members of the Classified Senate at Mendocino College would like to welcome Interim Superintendent/President Eileen Cichocki and we look forward to working with her.

The Classified Senate held our first meeting on July 30, 2019. The discussion centered on goals we would like to focus on for the ensuing year. The group also decided we would like to once again provide ice cream for the students during the WOW week events. The centers will also be joining us in this activity by providing ice cream to the students at their various locations during their individual WOW week event.

Five classified members attended the Classified Leadership Institute (CLI) in June. Each individual attended a different session provided by the CLI. This was done so the group could take advantage of the many wonderful and informative sessions provided. Our members were then able to summarize the information they obtained from the session they attended for the group. Classified Senate members were also afforded the opportunity to network with classified staff members from many other institutions which proved to be both beneficial and helpful for our participants.

Overall, the Classified Leadership Institute was found to be an informative experience for those in attendance. We are hopeful the knowledge gained by the Classified Senate leadership group will aid in strengthening our Classified Senate not only this year but in years to come.

**Management/Supervisory/Confidential:**

The following report was submitted by Management/Supervisory/Confidential President Judy Kanavle:

In late June, M/S/C elected a President, Judith Kanavle, and Vice President, Mary Lamb, for the 19/20 academic year. We thank Matt Gordon for his leadership as M/S/C President in 18/19.

The M/C/S constituent group held a special meeting in early August to discuss planning for potential PG&E power outages. Director Lojowsky presented a schedule for managers and classified staff to be on duty for fire watch 24 hours a day at all district campus locations.

Finally, M/S/C is excited that the Board of Trustees has selected Eileen Cichocki as the Interim Superintendent/President for Mendocino-Lake CCD. We feel that Interim Superintendent/President Cichocki is the ideal person to lead us through our upcoming accreditation and our search for a new Superintendent/President for the district.

*Oral reports by other constituent group leaders may be presented at the meeting.*
