**Big Picture**

Vice President of Student Services Velasco presented information on the various programs in the area of student services.

Work has begun on the Student Equity Plan which is due November 20, 2022. Working on the plan we have discovered several successes since the previous plan from 2019-2022. The new plan will run from 2022-2025. The most recent data reflects many successes since the last plan and have increased significantly. In this plan, Native American and White students transfer rates have increased as well as improvements to the completion of transfer level English and Math by Asian students as well.

We have been using Mendo Mobile to submit vaccine and testing information as required by Board Policy 2901 and Administrative Procedure 2901.1 which were implemented in the fall. Green passes are issued to students who are testing with blue passes being issued to those individuals who are vaccinated. Approximately 90% of students attending in person classes are vaccinated.

In-person support is provided in many ways whether it be curbside service or extended hours for in-person assistance. Plexiglass barriers are in place in many areas on campus.

A line queuing system was implemented during the fall 2021 semester. We haven’t usually needed to use this service as our lines haven’t been huge but the great thing about using this system is we are able to track how many students we are serving as well as being able to find out when our peak hours for services are.

Many interactions continue to be virtual.
The online bookstore launched on January 10th. Our staff provided service for those students who wanted to pick up their books in person.

Our new Transfer Center Counselor/Coordinator (Mark Osea) has been able to share more information with our students regarding those opportunities available to them. There will also be transfer workshops taking place in March.

Fiscal Services has distributed approximately $3m in emergency funding to qualified students.

The Planning and Budgeting Committee has recommended hiring a full-time Behavioral Health and Wellness Counselor/Coordinator which would be a great benefit to our students.

**INFORMATIONAL REPORTS**

A written report was submitted by Academic Senate President Indermill who added the following information:

Vice President of the Academic Senate Ginny Bucelli has resigned her position and was thanked for her help during her tenure.

She also recognized the six faculty members who were approved for tenure by the Board earlier tonight.

*Classified Senate*
A written report was submitted by Classified Senate President Isabel Lopez who stated she had nothing to add.

*Management Team*
A written report was submitted by Management Team President Janet Daugherty who stated she had nothing to add.

**TRUSTEE COMMUNICATION**

*Board Policies Additions and Revisions – First Reading*
Board Policy 2720 – Communication Among Board Members; Board Policy 2725 – Board Member Compensation; Board Policy 2730 Board Member Health Benefits; Board Policy 2735 – Board Member Travel; and Board Policy 2740 – Board Member Education were presented for review and discussion. Trustee Reports

Trustees commented orally on their recent college-related activities.

Trustee Anderson attended the MLACE strategic planning meeting which provided great information. He also attended the Blue-Ribbon Committee for the Rehabilitation of Clear Lake meeting. He would like to have further discussion on how we can improve our communication with the tribes in order to obtain a list of their needs.

Trustee Martinez acknowledged the Academic Senate and their statement regarding the Native American Lands.

Trustee Myers inquired about the fewer on-ground sections we are offering. Superintendent/President Karas informed her we have fewer students enrolled in on-ground classes therefore the need to offer fewer sections. We anticipate adding more sections on ground as students return to that mode of study.

Trustee Nickerman informed the board Vice President Polak gave a great program at the Ukiah Rotary meeting yesterday and he thanked her.

Trustee O’Neill reminded everyone about the open house scheduled to be held at the North County Center in March. He also stated he will not be attending the March Board of Trustees meeting. When considering the need of future programs at the college, he informed the Board there will be a need for Psychiatric Technician program in the near future. He was wondering about the possibly of offering a joint program with Yuba. Information regarding this type of venture will be addressed in a future administration report.

Trustee Tomkins informed the board he is a member of the Friends of the Lake County Center and attended a recent meeting where Julie made a presentation to them which was very informative.

Student Trustee Rodriguez informed the board he had his first in person Community Colleges of California Trustees (CCCT) meeting in January. They had a briefing on the Governor’s budget proposal. During the meeting, he was part of the group who spoke on Financial Aid reform.

Trustee Pinoli addressed the question about becoming a Native American Serving Institution. When we had the original dedication of Pomo Plaza, it was the first time so many members of the various area tribes were brought together in one place. It might make sense for us to look into holding some sort of summit where once again the tribal members of both counties could gather together to discuss common issues and ways the college could help.

Future Agenda Items

The current list of future agenda items includes the following with additional comments from members of the Board of Trustees:

- Diversity training for Board members – Trustee Martinez requested this item and feels it needs to be either a workshop or special meeting. It should not be a lecture but more of a reflection and participation by
members of the board. For this reason, she feels it needs to be when we are once again able to meet in person – move to try and find a date for a workshop – wants to wait a little longer in order to have outside presenters, etc.

- Essential needs for Trustee onboarding
- Outreach to the community and the various tribes
- A workshop or presentation on the next phase plans for the three centers
- A big picture presentation by the Lake County Superintendent of Schools similar to the presentation made by the Mendocino County Superintendent of Schools.
- Site visits at all the sites including courses offered and equipment available.
- Board workshop for board members regarding the process and how we handle the public as a board
- An ongoing conversation about the role Student Trustees can have in their individual districts. Discussion would include what it would mean for the board. Trustee Martinez would also like to have more information about the role of the student trustee.

CalFresh Outreach Week

Mendocino College (MC) organized a series of events to promote CalFresh Outreach Week February 22-24 to increase awareness about the Supplemental Nutrition Assistance Program (SNAP) and the food insecurities college students and the community face.

On Wednesday, February 23, MC staff handed out DIY food kits to students so they could prepare a healthy and easy Quinoa Bowl dish at home. The recipe, provided by MC Culinary Arts Instructor, Nicholas Petti, went along with the meal and a demo video was posted to the college website.

On Thursday, February 24, cars lined up as MC staff and volunteers from MC athletic programs helped distribute food to students and the community at the Ukiah campus. The food was generously provided by the Redwood Empire Food Bank (REFB) and included a variety of grocery items such as fruit, vegetables, rice, lentils, milk, peanut butter, pork loin, bread, cereal, diapers, and more.

Students who are eligible for CalFresh are able to receive a maximum of $250 each month to purchase groceries at the grocery store, Farmers’ Markets, and online.

Enrollment

Our year-over year numbers continue to improve. We have 12% more students and 38% more section than in Spring 2021. However, we are still below pre-pandemic numbers. Compared to our last pre-pandemic semester, spring 2020, the decline is 16 % number of students, 14% number of sections, and 22% total FTES.
### Summer and Fall 2022 Schedule Development

Instructional Deans, faculty and key staff members have been working to develop our upcoming Summer and Fall 2022 class schedules. While Summer sessions, even pre-pandemic, have been scheduled heavily online, we will be bringing back more in person classes, in particular at the Centers.

Planning for Fall 2022 is exciting and daunting. We are excited to think about continuing to grow the numbers of students taking classes at all our locations. At the same time, we recognize that we will need to continue to provide instruction in the delivery modes students have become accustomed to, including online, hybrid, and Zoom. Our challenge will be to find a new balance between these different modes that recognize the increased accessibility offered to students without sacrificing the value of face-to-face instruction.

At the Centers, in collaboration with FT-Faculty and instructional deans, we continue to explore ways to enhance the breadth of courses being offered and are taking advantage of learned technology to increase the number of synchronous zoom courses available on site. This way, a course being taught at the Lake Center, for example, can also be made available at our Coast Center. This reduces the overall number of students needed at each location to meet enrollment requirements to maintain fiscal responsibility and opens disciplines that may not have previously been available at that location. We are also continuing to build our dual enrollment partnerships, with planned College Days at both our Lake Center on March 17th, and North County Center on March 31st. Between the two sites, we hope to have 11 high schools in attendance for an outdoor event focused on bringing student services and academic departments to high school students, to inspire them to continue their educational journey with the support of Mendocino College. We have also finalized our 11th CCAP agreement with Willits Charter School, and Legett Valley Unified, and look forward to offering our first on site dual enrollment courses in both Legette and Whale Gulch in the upcoming academic year.

### Commencement

Spring 2022 commencement ceremony plans are under way for an in-person ceremony hosted May 20th in the Stadium Field. Students from the 2020 and 2021 classes, in addition to the class of 2022, are invited to join. Staff will be calling students to invite them to participate in the first in person ceremony in two years. Final decisions and plans are still to be determined as we wait for changing guidelines and recommendations from local health officials regarding gatherings.

SUBJECT: RECLASSIFICATION – MANAGEMENT TEAM

SYNOPSIS:

In review of the Management Team position of Director of Facilities; major responsibilities have extended into this position since the last review date of 2016. The current job duties and responsibilities have expanded significantly beyond the current job description and classification.

Over the last 5 years; facilities management, hazard mitigation, and emergency response has increased significantly in response to natural disasters, poor air quality, planned power outages, and the pandemic.

As defined in the new Budget Parameter, approved in February 2022; many new infrastructure projects are planned, which will fall under the direction of the Director of Facilities; requiring sustainability and resiliency planning:

“Use of General Fund Reserves - When reserves are projected to exceed 15% and the budget is balanced, reserves in excess of 15% may be allocated for infrastructure projects that require a one-time expense which improve the safety, sustainability, resiliency, or technology of the District and the remodeling or construction of facilities to meet District needs. Projects that are a one-time investment which will result in lowering or avoiding future expenses should be given preference.”

Additionally, the newly adopted District priorities identified in October 2021 directly impact the scope of the work of the Director of Facilities:

“Demonstrate purposeful allocation of resources, make strategic investments in technology, infrastructure, facilities, and strengthen sustainable and resilient practices to create a supportive and collaborative 21st Century learning environment.

This position is the Chief Facilities Officer for the District and reclassifying it as presented will align it to the Chief Information Officer and Chief Human Resources Officer positions.

The reclassification followed the process outlined in the Management Team Employee Handbook. This is our agreement with the meet/confer unit.

SUBJECT: AWARDING OF AUDIT CONTRACT FOR  
FISCAL YEAR ENDING JUNE 30, 2022

SYNOPSIS:

Awarding the District’s audit contract for the fiscal year ending June 30, 2022 and entering into a new three-year agreement with two additional optional one-year extensions.

RECOMMENDATION:

The Superintendent/President recommends this item be approved as presented.

ANALYSIS:

Cossolias, Wilson, Dominquez, Leavitt (CWDL) has been conducting the District’s annual audit since the fiscal year ending June 30, 2018. The firm’s services for the June 30, 2022 audit are offered for $37,750/District and $8,616/Foundation.

CWDL currently audits Lassen, Butte-Glenn, Siskiyou, San Jose/Evergreen, Yuba and Napa Valley community college districts.

This year, June 30, 2022, is the last year of a five-year contract with CWDL. Administration asked CWDL for a new three-year proposal with two additional optional one-year extensions. The District has been very satisfied with the services provided by CWDL and the costs for the five years are very favorable.

For cost comparison purposes, the audit fees for June 30, 2017 with the previous audit firm prior to engaging with CWDL were $57,700/District and $10,500/Foundation, for a total of $68,200. The fees proposed at the end of this new contract for June 30, 2027 remain significantly less than audit costs with the previous firm for the year ending June 30, 2017.

SUBJECT: CONSTITUENT GROUP REPORTS

SYNOPSIS:
A report from the Constituent Groups to the Board of Trustees is submitted as information.

ANALYSIS:

Academic Senate:
The following report was submitted by Academic Senate President Catherine Indermill:

Last month I reported that the Academic Senate has adopted a Native American Land Acknowledgement. This acknowledgement was read into the record at the first Academic Senate meeting following the adoption (2/17) and at both faculty meetings we have had. The senate leadership is encouraging faculty to include this (or a similar acknowledgement in class syllabi and/or other appropriate class materials. Some faculty have reported the inclusion of the acknowledgement in class materials and/or having shared it with students. Others have indicated plans to include this with their Summer and/or Fall classes. I have communicated with the Classified and Management leadership about adopting a Native American Land Acknowledgement, as well. They are taking this under advisement with their constituents.

In addition, the Academic Senate has approved Resolution S’22 - 01: Academic Senate Support for District Adoption of a Native American Land Acknowledgement:

Whereas, Mendocino - Lake Community College District boundaries reside within traditional Native Lands

Whereas, the First Nations of Lake and Mendocino Counties are Cahto, Concow, Pit River, Nomlaki, Pomo, Sinkyone, Wailacki, and Yuki;

Whereas, The Mendocino College Academic Senate has purview for academic and professional matters, such as “student preparation and success” (Title 5 section 53200);

Whereas, The recognition of the rightful stewards of the lands in which the District resides will foster diversity, equity, inclusion, accessibility and student success;

Whereas, The Mendocino College Academic Senate recognizes the injustices and atrocities committed against the local Indigenous Peoples;

Whereas, The Mendocino College Academic Senate has adopted a Land Acknowledgement to be included at public meetings (Academic Senate Resolution F’21 - 01, attached);
Therefore be it resolved, The Mendocino College Academic Senate recommends that the Mendocino - Lake Community College District Board of Trustees adopt a similar Land Acknowledgement to be included at all public meetings and events.

This resolution was supported by 40 full- and part-time faculty. I anticipate the district and faculty representatives will enter into the mutual agreement process in the coming weeks and we will have a productive discussion and positive resolve to our request.

Classified Senate:

The following report was submitted by Classified Senate President Isabel Lopez:

The Classified Senate is excited to announce that a total of six members will be attending the Classified Leadership Institute in Riverside this coming June. This is an event that Classified looks forward to each year and we are thrilled to be given the opportunity to send this highly motivated team to represent Mendocino College Classified Senate.

- The scholarship deadline is March 1st. The Foundation is working with the Finance Department to get the Management Team scholarships in the process. The Foundation is also planning an in-person reception to celebrate the recipients and their accomplishments.
- The Human Resources Department shared there is a new Personnel Action Form (PAF) process which will help to keep track of the forms submitted and are in process. - The President’s Policy Advisory Committee (PPAC) is currently reviewing a procedure which will handle requests for names different than on legal documents and when appropriate as not to create unnecessary burden on student.
• New Service Area Outcomes are being streamlined for support programs that have student-facing programs.
• Board Docs is almost live so please be aware you will need to allow extra time for submissions to get items through the approval process and onto the board meeting agenda.
• Program review is coming soon with section 1A hitting emails in the next month. Section 1B should follow the following week.

SUBJECT: FUTURE AGENDA ITEMS

SYNOPSIS:

Input and discussion by board members regarding items to be included on future agendas.

ANALYSIS:

Items currently on the list include:
- Diversity training for Board members – Trustee Martinez requested this item and feels it needs to be either a workshop or special meeting. It should not be a lecture but more of a reflection and participation by members of the board. For this reason, she feels it needs to be when we are once again able to meet in person.
- Essential needs for Trustee onboarding
- Outreach to the community and the various tribes
- A workshop or presentation on the next phase plans for the three centers
- A big picture presentation by the Lake County Superintendent of Schools similar to the presentation made by the Mendocino County Superintendent of Schools.
- Site visits at all the sites including courses offered and equipment available.
- Board workshop for board members regarding the process and how we handle the public as a board
- An ongoing conversation about the role Student Trustees can have in their individual districts. Discussion would include what it would mean for the board. Trustee Martinez would also like to have more information about the role of the student trustee.
