Reopening Measures

- Facilities and Safety Committee approved a plan that includes procedures, protocols, and guidelines in the following categories to promote the health and safety of the members of the campus community.
 - Modifying Office Spaces
 - Enhanced Disinfection and Cleaning
 - Physical Distancing
 - Health Screenings
 - Face Coverings
 - Testing
 - Training
 - Re-Opening Templates for Classrooms, Offices and Departments
- These measures also reference guidance from Mendocino-Lake Community College District's Injury and Illness Prevention Plan (IIPP), including the COVID-19 Addendum and the District's Emergency Operation's Plan "Infectious Disease Outbreak Plan."

Reopening Measures

- On August 7, 2020, the California Department of Public Health ("CDPH") and the California Division of Occupational Safety and Health ("Cal/OSHA") issued guidance for the operation of institutions of higher education, including community college districts, to provide safe environments for employee and student safety related to the COVID-19 pandemic.
- These guidelines have been reviewed and are consistent with our reopening measures.
