NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on April 28, 2020, or as soon thereafter as practicable, at a regularly scheduled public meeting of the Board of Trustees (the “Board”) of the Mendocino-Lake Community College District (“District”), the Board will hold a public hearing to consider for approval, a resolution formally adopting findings required by Government Code sections 4217.10 *et seq.*, regarding anticipated energy cost savings and other benefits from entering into a proposed Energy Services Contract (“Contract”) with SunPower Corporation (“SunPower”). The Board will determine whether the proposed Contract is in the best interest of the District, whether the anticipated cost to the District for electrical energy or conservation services provided under the Contract will be less than the anticipated marginal cost to the District of electrical, or other energy that would have been consumed by the District in the absence of those purchases under the Contract and may adopt a resolution setting forth its findings and entering into the Contract. Pursuant to the proposed Contract, SunPower will provide services to the District including, but not limited to, design and installation of a battery energy storage system to result in energy cost savings for the District. The resolution and supporting documents will be on the regular Agenda for public comment and proposed action.

The public hearing will be held at the Board’s regularly scheduled meeting on May 13, 2020, at 4:00 p.m., or as soon thereafter as practicable, at:
