

Proposal Form Institutional Requirement Studies in Culture

Faculty Initiator _____

Course _____

Date _____

Mendocino College courses meeting this requirement must be three (3) semester units. In addition, each course must meet three of the following four criteria in an integral manner:

- Examine historical and contemporary attitudes, behaviors and institutions which foster cultural and racial inequalities;
- Examine the unique experiences of historically disenfranchised groups.
- Introduce the diversity of world cultures through the study of art, literature, and other forms of expression;
- Facilitate student ability to communicate and work effectively in a diverse society.

Describe how the proposed course addresses **at least three** of the above listed criteria:
