Curriculum Committee

Reviews the appropriateness of the new or modified Course Outline of Records and Programs brought forth by Discipline Faculty.

Committee members look for specific things:

- Assignment of a discipline, minimum qualifications
- Avoiding duplication of existing curriculum
- Appropriateness to college mission
- Integration of elements of COR (content, objectives, assignments, SLO's etc.)
- Justification for advisories, prerequisites, GE petitions, DE modalities
- Deletion or inactivation of courses and programs
- Policy changes pertaining to curricula issues

Tech Review Committee

- Participants are: Curriculum Chair, Curriculum Technician, Articulation Officer, Dean of Instruction, Dean of Applied Academics, VP of Academic Affairs and the meeting is held prior to the Curriculum Committee Meeting.
- The Tech Review committee is responsible for reviewing the proposal and seeing that the course outline conforms to the requirements and guidelines for content, form and style as well as state and college rules and regulations. It attempts to ensure complete data, compliance and consistency. Goal is to look at details that can be corrected prior to the Curriculum Committee meeting including grammar, wording, codes, typos.
- Feedback is given to writer to make changes prior to Curriculum Committee meeting. If changes are not made or if there are further issues, then course can come back to Tech Review again for more discussion before being placed on curriculum agenda
- **New in 2020, a SLOT committee member will attend at the Tech Review level to review SLO's and reach out to faculty prior to Curriculum Committee meeting.

1. Discipline faculty develop and submit curriculum in eLumen

- Senate 10+1 – faculty purview
- If it is a new Program, must have been submitted to EAP prior

2. Local curriculum committee reviews and approves

- Includes separate tech review, DE review, requisite review, etc.

3. Local governing board approves through representation of the college president.

4. Chancellor's office reviews and either issues control numbers or chapters the course.

5. Curriculum can now be

- published in catalog, schedule, etc.
- eligible for apportionment
- sent for external articulation and transfer agreements (may take an additional year; coordinate with AO)

2020 Curriculum Certification

- Memo will be distributed in Fall 2020 and will be due to the Chancellor's Office by October 2020
- Memo will require the signatures of College President, Academic Senate President, Chief Instructional Officer, Curriculum Committee Chair
- Submitting the memo entitles the college to automated approval of:
 - All credit courses (including cooperative work experience)
 - Modifications to all existing credit programs except for ADTs
 - Note that changing program goal will require a new program submission
 - New credit degrees and certificates with a program goal of local (not ADTs or CTE)
 - *CTE C-ID Aligned Programs – recommended by 5C*

Requirements of Certification

Colleges are certifying that all approved curriculum will align with all requirements outlines in Education Code, Title 5, and the 7th edition of the Program and Course Approval Handbook (PCAH)

College must have a board policy related to the credit hour. Policy must be submitted to the CO with the certification memo. BP 4020

College must have a cooperative work experience plan that has been approved by the local governing board (plan does not need to be submitted to the CO)

Periodic Review by the Chancellor's Office

- Non punitive
- Goal to align curriculum with programs
- Current LMI data on CTE programs
- CO wants to be a resource
- CO will share updates with colleges

Process

- CO conducts periodic review
- MC has 60 days to respond to the findings
- MC has 6 months to correct discrepancies
- CO reviews corrections and notifies college

And there is
more....
Periodic
Review

AD-T degree information

- The AD-T program is a partnership between the CCC and CSU system
- AD-Ts **must** be compliant with applicable legislation, title 5, and PCAH requirements
- Periodic review will include compliance of:
 - Current TMC (Transfer Model Curriculum)
 - All CORs attached (CORs will be reviewed to ensure current standards are met)
 - All courses included on TMC meet the requirement listed on the TMC C-ID Articulation, AAM (Articulation Agreement by Major), BCT (CSU Baccalaureate Level Course List by Dept.) or GECC (CSU GE Certification Course List by Area)
 - Review of unit count and double count totals
 - Review of Narratives including the catalog descriptions with random checks against the current school catalog to confirm they are the same
 - For AD-Ts, colleges will be asked to respond to revision request within 60 days. Once the college responds they will have an additional 6 months from the response date to make necessary revisions for approval.
- **If a colleges does not meet the corrective parameters described above, the AD-T program will be deactivated in COCI.**

California Community Colleges Call to Action

1. Systemwide review of police and first responder training and curriculum. (ASCCC, CTE Deans and Faculty)
2. Campus leaders host open dialogue and address campus climate. (CEO's, District Leaders, Campus Police, CSSO's and their Student leaders)
3. Campuses audit classroom climate and create an action plan to create inclusive classrooms and anti-racism curriculum. (Faculty, CIO's, CSSO's, ASCCC)
4. District Boards review and update your Equity plans with urgency. (Chancellor's Office, All Campus Leaders, and District Trustees)
5. Shorten the time for the full implementation of the DEI Integration Plan (DEI Implementation Workgroup, Consultation Council and Chancellor's Office)
6. Engage in the Vision Resource Center "Community Colleges for Change." (Everyone)
