## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Mendocino College Foundation, Inc.  
Ukiah, California

We have audited the accompanying financial statements of Mendocino College Foundation, Inc., a nonprofit corporation (the Foundation), which comprise the statement of financial position as of June 30, 2017; the related statements of activities and cash flows for the year then ended; and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITORS' REPORT**

(Continued)

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTES TO THE FINANCIAL STATEMENTS

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization** The Mendocino College Foundation, Inc. (the Foundation), a component unit included in the reporting entity of the Mendocino-Lake Community College District (the District), is a nonprofit organization. It was founded during the 1984-85 year to strengthen student services by providing student scholarships, enriching instruction and basic skills, as well as enhancing program and staff development. The Foundation's goal is to promote and develop a mutually beneficial relationship between the District and the community. Because of the education nature of the Foundation's activities, it has been granted tax-exempt status under Section 501(c)(3) of the *Internal Revenue Code*.

**Basis of Presentation and Accounting** These financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into three classes: unrestricted, temporarily restricted, or permanently restricted, as follows:

*Unrestricted Net Assets:* Net assets not subject to donor-imposed stipulations.

*Temporarily Restricted Net Assets:* Net assets subject to donor-imposed stipulations that will be met by actions of the Foundation and/or the passage of time. When the time restriction stipulation ends or when funds are expended for intended purposes, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently Restricted Net Assets:* Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Expiration of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

**Use of Estimates** The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents** For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. Funds invested in the County Treasurer's investment pool are considered cash equivalents and are recorded at the value of the pool shares held, which approximates the fair value of the underlying cash and investments of the pool.

## Mendocino College Foundation, Inc.

### NOTES TO THE FINANCIAL STATEMENTS

(Continued)

---

**Investments** Investments held in brokerage accounts are reported at fair value based on quoted market prices, and investments in property held for sale are reported at fair value based on property appraisals. All realized and unrealized gains or losses are reported in the statement of activities.

**Capital Assets** Expenditures for maintenance and repairs are charged to expense as incurred. Major improvements are capitalized. Property and equipment are recorded at cost on the date of acquisition or fair value at the time of donation.

**Assets Held by Others** Assets held by others represent amounts held by the Community College League of California (the League) and Sonoma State University Academic Foundation (SSUAF) for the Foundation. The League facilitated four gift annuities for the Foundation. The amount recorded approximates the net present value of the future benefit to be received by the Foundation. The SSUAF is the trustee for the Halliday Trust which will terminate in 2024. The Foundation is a 50% beneficiary of the trust.

**Endowment Investment and Spending Policy** The Foundation's endowment consists of the Evelyn Foote Fund and gift annuities that will create a perpetual scholarship fund when the Foundation receives the residual of the annuities in the future. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA), as enacted by the State of California, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result, the Foundation classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

## Mendocino College Foundation, Inc.

### NOTES TO THE FINANCIAL STATEMENTS

(Continued)

---

**Investment Return Objectives, Risk Parameters, and Strategies** The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that are intended to result in a consistent annual inflation-protected rate of return, over time, of approximately 8% for the Foundation Trust Fund and 7% for the Evelyn Foote Fund, annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

**Spending Policy** The Foundation has a policy of appropriating for distribution each year 5% for the Foundation Trust Fund and 4% for the Evelyn Foote Fund. These percentages are applied to each fund's 12-quarter rolling average fair market value. In establishing this policy, the Foundation considers the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Foundation expects the current spending policy to allow its endowment funds to grow at a nominal average rate of 3% annually, which is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

**Contributions** The Foundation recognizes contributions from unconditional promises to give when such promises are made if the amounts can be reasonably determined. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions are available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give that are to be received in future years are discounted at the Foundation's risk-free rate of return.

**Donated Assets** Donated marketable securities and other noncash donations (gift annuities) are recorded as contributions at their estimated fair values at the date of donation.

**Donated Services** Donated services are recognized as contributions in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Subtopic 958-605, *Not-for-Profit Entities – Revenue Recognition*, if the services: (a) create or enhance nonfinancial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

During the year, the Foundation received services meeting these criteria from the District in the form of accounting and administrative services as well as use of facilities. The value of these services is not included in the financial statements as management believes the value is not material to the financial statements as a whole. The Foundation did not receive any other services during the year that met the criteria for recognition in these financial statements.

### NOTES TO THE FINANCIAL STATEMENTS

---

Volunteers also provided their time and performed a variety of tasks that assisted the Foundation with specific program services and fundraising. Although such donated services do not meet the aforementioned criteria for recognition in the financial statements, they are essential to the success of the Foundation's mission and programs.

**Income Taxes** The Foundation operates under Section 501(c)(3) of the *Internal Revenue Code* and Section 23701(d) of the *California Revenue and Taxation Code* and is exempt from federal and state income taxes. Accordingly, no provision for income taxes is included in the financial statements. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

**Evaluation of Subsequent Events** Management has evaluated subsequent events through December 4, 2017, the date on which the financial statements were available to be issued.

### 3. CONCENTRATION OF CREDIT RISK

The Foundation has concentrated essentially all cash with the County. Because of the nature of pooled accounts, the Foundation is not able to determine what portion of its balances are insured; however, the *California Government Code* requires California banks and savings and loan associations to secure local governments (such as the County) deposits by pledging government securities as collateral. The market value of pledged securities must equal 110% of an entity's deposits. California law also allows financial institutions to secure an entity's deposits by pledging first trust deed mortgage notes having a value of 150% of an entity's total deposits.

### 4. CAPITAL ASSETS

As of June 30, 2017, the Foundation owns approximately 423 acres of real property which surrounds the main campus of Mendocino-Lake Community College District at 1000 Hensely Road Ukiah California. In June of 2017, the Foundation purchased one acre of land for \$25,000 and recorded the purchase as a capital asset at the original cost. The carrying value of the total 423 acres of real property is \$1,298,090 and is recorded in capital assets at original cost or value at the original date of donation. The 423 acres will be retained for the future growth of the college. In addition, a road has been built on the retained property totaling \$33,278 that has been capitalized as infrastructure.

### 5. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following individual contributions:

June 30, 2017

---

#### ADOPT A FIFTH GRADER

The program was established during the 2007-08 fiscal year by donors donating funds to the program. The donors give the Foundation \$700 to adopt a fifth grade student. The student will receive \$25 during fifth grade and \$500 upon graduation from high school, or \$1,000 if they enroll at Mendocino College as a full-time student after graduating high school.

### 6. PERMANENTLY RESTRICTED NET ASSETS

June 30, 2017

---

#### EVELYN FOOTE TRUST

Beginning in 1992 and continuing over subsequent years, the Foundation received major contributions from the Evelyn Foote Remainder Annuity Trust for a total amount of \$803,542. The trust stipulated that the contributions shall be used to establish a perpetual fund in Ms. Foote's name, and income from the fund shall be distributed annually to supplement extracurricular programs or scholarships to benefit District students. The Foundation has determined that the trust document does not consider unrealized gains and losses as income that becomes available for annual distribution.

\$ 803,542

#### GIFT ANNUITY

The Foundation is the beneficiary of gift annuities funded during prior years. At the end of the donor's life, the Foundation will receive the residual of the assets used to create the annuities. The amounts have been restricted by the donors to fund a scholarship endowment.

165,434

#### HULDA AND ALFRED WEGER SCHOLARSHIP

During fiscal year 2009-10, Hulda Weger donated \$25,000 to be used for annual scholarships. The \$25,000 generates a permanent \$1,000 per-year scholarship to benefit Ukiah High School graduates who attend Mendocino College.

25,000

#### SALMEN FAMILY SCHOLARSHIP

The Salmen Family's Perpetual Scholarship was established in 2010 to support Mendocino College students pursuing a career in one or more of the following sciences: astronomy, chemistry, computer, physics, and math by providing an annual \$1,000 scholarship. Salmen donates \$3,000 annually, and a \$3,000 donation is provided by the New York Life Foundation's matching gift program. The Salmen family formally changed this from a perpetual scholarship to an endowment account. The endowment will continue to fund student scholarships using the same criteria as originally established.

### **ALBERT BELTRAMI PERPETUAL INTERNSHIP SCHOLARSHIP**

Established in 2011, this scholarship is for Mendocino College students pursuing a career in local government. The student(s) selected will intern in a local city or county government office and enroll in Mendocino College Work Experience Education for college credit. Participating students receive \$500 to \$1,000 for successfully completing the internship and coursework.

50,000

### **LES GREGG FAMILY SCHOLARSHIP**

Mrs. Catherine Gregg and daughter, Leslie Gregg Banta, established a new perpetual scholarship in memory of their late husband and father, longtime Ukiah restaurant owner, Les Gregg. The scholarship is awarded to students enrolled in 6 or more units in the Culinary Arts Management Program at Mendocino College.

25,000

### **JOE AND DOROTHY HALLIDAY SCHOLARSHIP**

In 2011, the Mendocino College Foundation received a generous gift through the estate of Joe and Dorothy Halliday. The Hallidays were loyal and hard working Point Arena residents with ancestral ties to the Mendocino Coastal communities dating back to the late 1800s. The gift will fund three scholarships with an internship component. Priority is given to Point Arena High School graduates. Recipients must demonstrate a high level of community volunteerism and successfully completed basic geography examination.

174,500

### **JOE AND DOROTHY HALLIDAY SCHOLARSHIP #2**

Sonoma State University Academic Foundation (SSUAF) is the trustee for the Halliday Trust 2 which will terminate in 2019. The Foundation is a 50% beneficiary of said trust. The amount recorded is based on 50% of the fund balance on an annual fund report provided by SSUAF.

183,185

### **FETZER NURSING SCHOLARSHIP**

The Kathleen Kohn Fetzer Family Foundation provided \$50,000 in perpetuity which will fund one Nursing Program Scholarship and one Student Scholarship annually. The Foundation funded these scholarships to inspire and assist nursing students in furthering their career.

### **WALLACE MEEK PEREZ SCHOLARSHIP**

Established in 2013, this scholarship assists a MESA student in obtaining their educational goals at Mendocino College. Wallace and Virginia Meek believed in everyone having an opportunity to obtain an education. Wallace passed away in late 2012, and Virginia created this award in their names. This is an open-ended fund, and contributions can be made through the Mendocino College Foundation. 26,600

### **JOHN BOGNER FINE ARTS SCHOLARSHIP**

This perpetual scholarship was established by countless donations from the community to honor and remember beloved community leader and advocate, Mr. John Bogner. Theatre and music were a passion of Bogner's, and it is fitting that this award be given to a student pursuing a career in the fine arts. 37,754

### **ROBERT AND MARLYS BLANC SCHOLARSHIP**

The scholarship program was established in 2015 to support a Mendocino College student in reaching their academic goals. The Blanc's reflected on how much a college education has been part of their lives and success, and they wanted to give back in a very direct and personal way. 25,000

### **LARUE KORBIN SCHOLARSHIP**

LaRue Korbin spent her entire life in the service of helping others. She was a loving, caring and giving person who truly believed in doing everything possible to make our world a better place. The impact of Korbin's work, and her passion for helping others, will live on in perpetuity. In 2014, husband Frank Bender generously created the LaRue Korbin Memorial Scholarships for Mendocino County students enrolled in the nursing program. 101,000

**SIVERIA-CLEARY FAMILY SCHOLARSHIP**

The Cleary Family created this scholarship in loving memory of Robert and Jean Silveira as a testament to their hard work and family commitment. This award is designated for a Mendocino College student who resides on the coast and is working towards an associate of arts or science degree and who plans to transfer to a four-year university.

25,000

**MENDOCINO COLLEGE COAST CENTER ART AND SCIENCE SCHOLARSHIPS**

This scholarship was created by Arthur and Jean Morley to support art and science programs at Mendocino College. The couple believed in giving back to their community and merged that with their love of natural environments and the arts to create this scholarship for a Mendocino College student that exhibits outstanding initiative and demonstrates potential.

25,000

**NATALIE MCCOY SCHOLARSHIP**

Natalie McCoy Foucault graduated from Ukiah High School in 1955 and according to close friends, she was a beautiful human being. This scholarship is intended for a student who shows the determination to succeed in spite of her/his background. The student does not have to be a 4.0 student, but one who shows promise and determination to succeed. Recipients of the Natalie McCoy Foucault Scholarship are limited to Ukiah High School graduates who enroll at Mendocino College immediately following high school graduation.

#### **8. FAIR VALUE MEASUREMENTS**

The Foundation accounts for certain assets and liabilities in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, which establishes a framework for measuring fair value under generally accepted accounting principles.

The Foundation classifies its fair value assets and liabilities into a hierarchy of three levels based on the markets in which they are traded and the reliability of the assumptions used to determine fair value. The asset or liability measurement level within the hierarchy is based on the lowest level of any assumption that is significant to the measurement.

Valuations within the hierarchy levels are based upon the following:

*Level 1:* Quoted market prices for identical instruments traded in active exchange markets.

*Level 2:* Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable or can be corroborated by observable market data.

*Level 3:* Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect the Foundation's estimates of assumptions that market participants would use on pricing the asset or liability. Valuation techniques include management's judgment and estimation, which may be significant.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended June 30, 2017.

*Money Market Funds:* These assets are valued at the net asset value (NAV), generally \$1 per share, and are reported on the active market on which securities are traded.

*Equity Securities, and Exchange Traded Funds:* Each investor will typically receive units of participation or shares. These shares are valued daily, based on the underlying securities owned, and are usually publicly traded equity securities. Equity securities are instruments that signify an ownership position in a corporation and represents a claim on its proportional share in the Foundation's assets and profits. Ownership is determined by the number of shares an investor owns divided by the total number of shares outstanding. Equity securities, and exchange traded funds are valued daily based on the closing market price in the active exchange markets.

### NOTES TO THE FINANCIAL STATEMENTS

*Bonds:* Corporate, municipal bonds and U.S. treasury bonds are generally valued by a computerized pricing service or, for less actively traded issues, by utilizing a yield-based matrix system to arrive at an estimated market value. Each bond series has a unique set of variables including coupon payment, number of payments, interest rate, and the maturity value. These factors are used to determine the estimated market value and can be determined daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis are as follows:

June 30, 2017	Fair Value	Level 1	Level 2	Level 3
Money market deposit	\$ 293,756	\$ 293,756	\$ -	\$ -
US treasury bonds	148,765	-	148,765	-
Corporate bonds	428,454	-	428,454	-
Municipal bonds	511,782	-	511,782	-
Exchange traded funds:				
Equity	612,155	612,155	-	-
Equity securities	5,311,673	5,311,673	-	-
Other	323,898	323,898	-	-
<b>Total</b>	<b>\$ 7,630,483</b>	<b>\$ 6,541,482</b>	<b>\$ 1,089,001</b>	<b>\$ -</b>

## 9. NEW ACCOUNTING PRONOUNCEMENT

In August 2016, FASB issued Accounting Standards Update (ASU) 2016-14, *Presentation of Not-for-Profit Entities*. This amendment will improve the current net asset classification requirements and the information presentation in consolidated financial statements and notes regarding not-for-profit entities' liquidity, financial performance, and cash flows. The Foundation has not yet determined the impact, if any, that implementation of this amendment which is required by July 1, 2018, will have on the financial statements.
