Section 1: Financial Assets	Student	Parent (if dependent)
Total current balance of cash, savings and checking accounts	\$	\$
Current net worth of investments: Don't include the home in which you live. Net worth means current value minus debt. Investment debt means only those debts that are related to the investments. Investments include real estate (other than the home you live in), trust funds, money market funds, mutual funds, certificates of deposit, stock, stock options, bonds, other securities, educational IRA savings accounts, college savings plans, installment and land sale contracts (including mortgages held), commodities, etc. Investment value includes the market value of these investments. Do not include the value of life insurance and retirement plans (pension funds, annuities, Keogh plans, etc.) and prepaid tuition plans.	\$	\$
Current net worth of business and/or investment farm: Don't include a family farm or family business with 100 or fewer full-time or full-time equivalent employees. Do not include the value of a small business if your family owns and controls more than 50 percent of the business and the business has 100 or fewer full-time or full-time equivalent employees. Business value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business and/or investment farm was used as collateral.	\$	\$
