# REPORT TO THE COMMUNITY

## THANK YOU TO THE COMMUNITY!

The students of MLCCD express their thanks to the voters of Mendocino and Lake Counties for approval of Measure W. We are already experiencing many positive effects of the infusion of funds into College facilities. The new Career and Transfer Center allows us room to meet with counselors and other students to discuss educational and career options. The consolidation of student services offices and the move of Financial Aid to MacMillan Hall allows us to process all of our paperwork in one building. The new roofs allowed us to sit in classrooms free from drips this past winter. We are truly grateful.
