CLASSES BEGIN JANUARY 18TH, 2022

LAS CLASES COMIENZAN EL 18 DE ENERO

WELCOME FROM SUPERINTENDENT/PRESIDENT KARAS

Dear Students, Prospective Students, and Community Members:

On behalf of our faculty and staff, I invite you to join us this spring for a great selection of classes. We hope you will be pleased to see an expanded number of on-ground courses available.

You can always view the most current version of the schedule by visiting www.mendocino.edu/schedule. We look forward to being able to serve more students in the traditional way, while keeping the flexibility that online and hybrid courses have provided our students over the past year and a half. Teaching and learning are at the heart of what we do. We offer exceptional academic opportunities in a friendly, supportive environment.

We are committed to diversity, and welcome students of all ages and backgrounds. We know the pandemic has been difficult for everyone. If you have needed to hold off from attending college or postpone your plans, we are ready to assist you in pursuing your educational goals in a way that fits your schedule and budget. There has never been a better time! There are more financial aid programs available than ever to assist with enrollment fees, textbook costs, and aid to apply towards housing, food, and child care. Please check the webpages listed below for up-to-date information and resources. Stay well!

Estimados estudiantes, futuros estudiantes y miembros de la comunidad:

En nombre de nuestro profesorado y personal, te invito a estudiar con nosotros esta primavera y aprovechar de una gran selección de cursos. Este año nuestros estudiantes van a poder disfrutar de una mayor cantidad de cursos impartidos en nuestro plantel del colegio comunitario. Puedes obtener acceso a la versión más actualizada de nuestros cursos y horarios en la página www.mendocino.edu/schedule. Esperamos poder atender a más estudiantes de modo tradicional y al mismo tiempo ofrecer la flexibilidad que los cursos en línea e híbridos les han brindado a nuestros estudiantes durante el año y medio pasado. La enseñanza y el aprendizaje es nuestra tarea fundamental y por eso ofrecemos oportunidades académicas excepcionales en un ambiente amigable y de apoyo. Estamos comprometidos con la diversidad y damos la bienvenida a estudiantes de todas las edades y orígenes. Sabemos que este periodo de la pandemia ha sido difícil para todos. Si has tenido que dejar de asistir a la universidad o posponer tus planes, estamos listos para ayudarte a alcanzar tus metas educativas de una manera que coordina con tu horario y presupuesto. ¡Ahora es el momento ideal para lograr estas metas! Te ofrecemos más programas de ayuda financiera que antes para ayudar con el costo de inscripción y los libros y ayuda financiera para solicitar vivienda, alimentos y cuidado infantil. Consulta las páginas web que se enumeran a continuación para obtener información e informarte acerca de recursos actualizados. ¡Y manténte lo más sano posible!

PREREQUISITES, COREQUISITES AND RECOMMENDED PREPARATIONS

It is the intent of Mendocino College to guide students into courses in which they will have the greatest chance for academic success. Therefore, students will find that some have prerequisites, co-requisites or recommended preparation in their description. Following are the definitions for prerequisites, co-requisites, and recommended preparation:

Prerequisite - A course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program. Completion of the prerequisite is required prior to enrolling in the course. Successful completion of a prerequisite course means that a grade of A, B, C, or P, was earned; C-, D, F, or NP grades are not acceptable.

Co-requisite - A course that a student is required to simultaneously take in order to enroll in another course. (If a course is listed as both a prerequisite and a corequisite it can be taken before or concurrently.)

Advisories on recommended preparation - indicates knowledge or skills that will be of great advantage to a student prior to enrollment in a specific course but are not required. (*Recommended Preparations can be found in the Mendocino College Catalog online*)

Prerequisite Challenge Procedure

If students feel they can meet the requirements, or one of the conditions listed below exists, and can provide documentation, then they can challenge a prerequisite. A Prerequisite Challenge Form can be obtained from the Mendocino College website or Admissions and Records Offices at the Ukiah campus, Lake and North County Centers. The challenge must be filed in the Office of Admissions and Records no later than the first day of the semester. Criteria for challenging a course are:

1. The prerequisite or co-requisite has not been established in accordance with the District's process for establishing prerequisites and co-requisites.
2. The prerequisite or co-requisite is in violation of Title 5, section 55003 Policies for Prerequisites, Co-requisites, and Advisories on Recommended Preparation.
3. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
5. The student will be subject to undue delay in attaining the goal of his/her educational plan because the prerequisite or co-requisite course has not been made reasonably available.

Transfer Information

ARTICULATION

Mendocino College has articulation agreements with the major universities, both public and private. These articulation agreements allow a student to efficiently plan a transfer program in their desired major, in preparation to transfer to a specific university. Mendocino College's articulation with state universities may be found at www.assist.org. For assistance in interpreting articulation documents, students should see an academic counselor. Students who do not complete preparation for their transfer major may not be accepted to the school of their choice or may extend their time required to graduate.

TRANSFER PREPARATION

Each institution of higher learning has its own requirements for admission and for junior standing. To prepare for continued education, a student must decide which school he/she is going to attend and learn the requirements of that particular school. In no way does this part of the catalog replace the student need to study the current catalog of the college or university to which transfer is planned. While attending Mendocino College, students who plan to transfer to a university should take the courses required by the institution they are preparing to attend. A list of Mendocino College courses which qualify for baccalaureate credit may be obtained from a counselor or on the Internet at www.assist.org.

Courses numbered 100 through 199 are accepted by the California State Universities (CSU) and courses numbered 200 through 299 by the University of California (UC). However, not all courses meet GE requirements.

TRANSFER TO INDEPENDENT COLLEGES AND UNIVERSITIES

Admission requirements of independent colleges and universities vary. Students should consult the transfer school catalog for specific requirements.

TRANSFER TO THE CALIFORNIA STATE UNIVERSITY SYSTEM

All 23 campuses of The California State University accept a maximum of 70 semester units of credit in transferable courses completed at a community college. Current admissions requirements are available at www.csumentor.edu.

The California State University general education requirements are listed in the following section. Mendocino College is authorized to certify at the student's request the fulfillment of these requirements. Some CSU catalogs indicate additional requirements. Each student is advised to consult the CSU catalog of the campus of his or her choice. Catalogs are available online.

ASSOCIATE DEGREES FOR TRANSFER

The Associate for Transfer (A.A.-T or A.S.-T) is a degree offered at California Community Colleges. Students who earn an A.A.-T or A.S.-T degree and meet the CSU minimum eligibility requirements are guaranteed admission to a CSU, but not necessarily to a particular campus or major. In addition, once at the CSU, if admitted and enrolled in a designated similar degree program, students have the opportunity to complete the bachelor's degree with as little as 60 semester units or 90 quarter units of coursework. See Program section for a complete list of transfer degrees.

Transfer Information

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION REQUIREMENTS

CSU regulations require that to earn a Bachelor's Degree, each student must complete at least 48 units of General Education. Of these 48 units, 9 must be completed at the four-year institution (upper division).

CSU's require students to complete 60 transferable units and all 39 units of the following CSU GE pattern to transfer as juniors. It is also recommended that a student completely prepare for a university major by completing the appropriate coursework at a community college. **Transferring without completing major preparation may extend your time to graduation.** Many university programs have additional admission and graduation requirements. Refer to the appropriate CSU catalog, or your Mendocino College counselor, for additional information.

Note: Courses that are multiple area listed are indicated by an (E) and can only be used to meet the requirements of a single area.

Transfer Information

CSU & UC TRANSFER GENERAL EDUCATION REQUIREMENTS – IGETC

Completion of Intersegmental General Education Transfer Curriculum (IGETC) prior to transfer (CSU or UC) may fulfill lower-division general education requirements at the receiving institution. All areas must be satisfied, and all courses must be completed with a grade of “C” or better before IGETC can be certified. IGETC is not appropriate for all programs and is not an admissions requirement to the UC system. Consult with a counselor for additional information about appropriate general education courses for your planned major and school.

The UC system recommends major preparation over completion of General Education requirements. Refer to resources such as a UC catalog or your Mendocino College counselor for appropriate pre-major coursework.

Note: Courses that are multiple area listed are indicated by an (£) and can only be used to meet the requirements of a single area.

Physical Therapist Assistant Program

Congratulations to our first cohort!

We are excited to announce that these 16 students - our very first class - have completed their coursework and are ready to start entering the workforce! The second cohort is already about halfway through the program. The Mendocino College PTA Program recently received full accreditation status from the Commission on Accreditation in Physical Therapy Education (CAPTE). We are proud to offer this fully accredited program to Northern California.

The PTA program is a five-semester program with students earning an Associates of Science degree and eligibility to take the National Physical Therapy Exam for licensure as a PTA upon completion. **Applications are accepted each year between August 15 and October 15**, with a new cohort of students beginning the program each January. Graduates of this program will fill a pressing need for physical therapy services in the local region.

Visit www.mendocino.edu/pta for more information or to contact the program.
