INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Mendocino College Foundation, Inc.
Ukiah, California

We have audited the accompanying financial statements of Mendocino College Foundation, Inc., a nonprofit corporation (the Foundation), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization The Mendocino College Foundation, Inc. (the Foundation), a component unit included in the reporting entity of the Mendocino-Lake Community College District (the District), is a nonprofit organization. It was founded during the 1984/1985 year to strengthen student services by providing student scholarships, enriching instruction and basic skills, as well as enhancing program and staff development. Its goal is to promote and develop a mutually beneficial relationship between the College and the community. Because of the education nature of its activities, it has been granted tax-exempt status under Section 501(c)(3) of the *Internal Revenue Code*.

Basis of Presentation and Accounting These financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into three classes: unrestricted, temporarily restricted, or permanently restricted, as follows:

Unrestricted Net Assets: Net assets not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulations that will be met by actions of the Foundation and/or the passage of time. When the time restriction stipulation ends or when funds are expended for intended purposes, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Expiration of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Use of Estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. Funds invested in the County Treasurer's investment pool are considered cash equivalents and are recorded at the value of the pool shares held, which approximates the fair value of the underlying cash and investments of the pool.

**NOTES TO THE FINANCIAL
STATEMENTS**

June 30, 2013

Mendocino College Foundation, Inc.

Investments Investments held in brokerage accounts are reported at fair value based on quoted market prices and investments in property held for sale are reported at fair value based on property appraisals. All realized and unrealized gains or losses are reported in the statement of activities.

Capital Assets Expenditures for maintenance and repairs are charged to expense as incurred. Major improvements are capitalized. Property and equipment are recorded at cost on the date of acquisition or fair value at time of donation.

Assets Held by Others Assets held by others represent amounts held by the Community College League of California (the League) and Sonoma State University Academic Foundation (SSUAF) for the Foundation. The League facilitated three gift annuities for the Foundation. The amount recorded approximates the net present value of the future benefit to be received by the Foundation. The SSUAF is the trustee for the Halliday Trust which will terminate in 2019. The Foundation is a 50% beneficiary of the trust.

Endowment Investment and Spending Policy The Foundation's endowment consists of the Evelyn Foote Fund and gift annuities that will create a perpetual scholarship fund when the Foundation receives the residual of the annuities, sometime in the future. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA), as enacted by the State of California, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result, the Foundation classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

**NOTES TO THE FINANCIAL
STATEMENTS**

June 30, 2013

Mendocino College Foundation, Inc.

Investment Return Objectives, Risk Parameters, and Strategies: The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return, over time, of approximately 8% for the Foundation Trust Fund and 7% for the Evelyn Foote Fund annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy: The Foundation has a policy of appropriating for distribution each year 5% for the Foundation Trust Fund and 4% for the Evelyn Foote Fund. These percentages are applied to each fund's 12-quarter rolling average fair market value. In establishing this policy, the Foundation considers the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Foundation expects the current spending policy to allow its endowment funds to grow at a nominal average rate of 3% annually, which is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

Contributions The Foundation recognizes contributions from unconditional promises to give when such promises are made if the amounts can be reasonably determined. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions are available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give that are to be received in future years are discounted at the Foundation's risk-free rate of return.

Donated Assets Donated marketable securities and other noncash donations (gift annuities) are recorded as contributions at their estimated fair values at the date of donation.

Donated Services Donated services are recognized as contributions in accordance with FASB ASC Subtopic 958-605, *Not-for-Profit Entities – Revenue Recognition*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

During the year, the Foundation received services meeting these criteria from the District in the form of accounting and administrative services as well as use of facilities. The value of these services is not included in the financial statements as management believes the value is not material to the financial statements as a whole. The Foundation did not receive any other services during the year that met the criteria for recognition in these financial statements.

Volunteers also provided their time and performed a variety of tasks that assisted the Foundation with specific program services and fundraising. Although such donated services do not meet the aforementioned criteria for recognition in the financial statements, they are essential to the success of the Foundation's mission and programs.

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2013

Mendocino College Foundation, Inc.

Income Taxes The Foundation operates under Section 501(c)(3) of the *Internal Revenue Code* and Section 23701(d) of the *California Revenue and Taxation Code* and is exempt from federal and state income taxes. Accordingly, no provision for income taxes is included in the financial statements. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

FASB ASC 740-10 clarifies the accounting for uncertainty in income taxes recognized in the Foundation’s financial statements in accordance with FASB ASC 740 and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FASB ASC 740-10 also provides guidance on derecognition and measurement of a tax position taken or expected to be taken in a tax return.

The Foundation files exempt organization returns in the U.S. federal jurisdiction and the State of California. The Foundation’s federal exempt organization returns for tax years 2009 and beyond remain subject to examination by the Internal Revenue Service. The Foundation’s California exempt organization returns for tax years 2008 and beyond remain subject to examination by the Franchise Tax Board.

The Foundation did not have unrecognized tax benefits as of June 30, 2013, and does not expect this to change significantly over the next 12 months. In connection with the adoption of FASB ASC 740-10, the Foundation will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of June 30, 2013, the Foundation did not accrue interest or penalties related to uncertain tax positions.

Subsequent Events Management has evaluated subsequent events through December 3, 2013, the date on which the financial statements were available to be issued.

2. INVESTMENTS

At June 30, 2013, the Foundation’s investments consisted of the following:

| | Halliday Fund | Salmen Fund | Evelyn Foote Fund | Foundation Trust Fund | Total |
|--------------------------|--------------------------|------------------------|----------------------------------|--------------------------------------|---------------------|
| Money market funds | \$ - | \$ - | \$ 321 | \$ 17,121 | \$ 17,442 |
| Mutual funds | 88,999 | 15,896 | 1,055,986 | 4,561,734 | 5,722,615 |
| Total Investments | \$ 88,999 | \$ 15,896 | \$ 1,056,307 | \$ 4,578,855 | \$ 5,740,057 |

3. CONCENTRATION OF CREDIT RISK

The Foundation has concentrated essentially all cash with the County. Because of the nature of pooled accounts, the Foundation is not able to determine what portion of its balances are insured; however, the *California Government Code* requires California banks and savings and loan associations to secure local government’s (such as the County) deposits by pledging government securities as collateral. The market value of pledged securities must equal 110% of an entity's deposits. California law also allows financial institutions to secure an entity's deposits by pledging first trust deed mortgage notes having a value of 150% of an entity’s total deposits.

NOTES TO THE FINANCIAL STATEMENTS

Mendocino College Foundation, Inc.

4. CAPITAL ASSETS

In June 2013, the Foundation purchased 398 acres, commonly known as the Evans property, which directly adjoins the main campus of Mendocino College in Ukiah. With this addition to the Foundation’s existing land holdings, the Foundation now owns over 1,100 acres or 11 parcels of real property in and around Orr Springs Road in Ukiah, California that collectively have a fair market value of \$2.6M. The Foundation intends to sell certain parcels and retain others for the expansion and growth of Mendocino College. As a result of the intentions to sell certain parcels, the Foundation has reclassified those parcels to Investment Property Held for Sale in the Statement of Financial Position in the current year. In conjunction with the reclassification, the Foundation recorded an unrealized gain on property held for sale of \$631,498 in the statement of activities. This unrealized gain represents the cumulative gain in the value of the parcels held for sale since initial acquisition. The remaining parcels are included in Capital Assets and are reported at original cost or value at the original date of donation. The fair market of the parcels included in property held for sale is \$1,322,500 and the carrying value of the property which will be retained for the future growth of the college is \$921,365. In addition, a road has been built on the retained property totaling \$33,278 that has been capitalized as infrastructure.
