-  **Hybrid**
-  **Face-to-Face**

MENDOCINO COLLEGE

2021 Summer Schedule

Dear Students, Prospective Students, and Community Members:

On behalf of our faculty and staff, I invite you to join us this summer for a great selection of primarily online classes. Registration for the fall is right around the corner and we hope you will be pleased to see an expanded number of in-person courses available in the coming semesters. You can always view the most current version of our schedule by visiting www.mendocino.edu/schedule. We look forward to being able to serve more students in the traditional way, while keeping the flexibility that online and hybrid courses have provided our students over the past year. Teaching and learning are at the heart of what we do. We offer exceptional academic opportunities in a friendly, supportive environment. We are committed to diversity, and welcome students of all ages and backgrounds.

We know this has been a difficult year for everyone. If you have needed to hold off from attending college or postpone your plans, we are ready to assist you in pursuing your educational goals in a way that fits your schedule and budget. There has never been a better time! There are more financial aid programs available than ever to assist with enrollment fees, textbook costs, and aid to apply towards housing, food, and child care.

Over the next several months we will continue to tailor our services to respond to changing COVID-19 guidance. Please check the webpages listed below for up-to-date information and resources. Stay well and have a great summer!

Timothy Karas, Ed.D
Superintendent/President Mendocino-Lake Community College District

PREREQUISITES, COREQUISITES AND RECOMMENDED PREPARATIONS

It is the intent of Mendocino College to guide students into courses in which they will have the greatest chance for academic success. Therefore, students will find that some have prerequisites, co-requisites or recommended preparation in their description. Following are the definitions for prerequisites, co-requisites, and recommended preparation:

Prerequisite - A course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program. Completion of the prerequisite is required prior to enrolling in the course. Successful completion of a prerequisite course means that a grade of A, B, C, or P, was earned; C-, D, F, or NP grades are not acceptable.

Co-requisite - A course that a student is required to simultaneously take in order to enroll in another course. (If a course is listed as both a prerequisite and a corequisite it can be taken before or concurrently.)

Advisories on recommended preparation - indicates knowledge or skills that will be of great advantage to a student prior to enrollment in a specific course but are not required. (*Recommended Preparations can be found in the Mendocino College Catalog online*)

Prerequisite Challenge Procedure

If students feel they can meet the requirements, or one of the conditions listed below exists, and can provide documentation, then they can challenge a prerequisite. A Prerequisite Challenge Form can be obtained from the Mendocino College website or Admissions and Records Offices at the Ukiah campus, Lake and North County Centers. The challenge must be filed in the Office of Admissions and Records no later than the first day of the semester. Criteria for challenging a course are:

1. The prerequisite or co-requisite has not been established in accordance with the District's process for establishing prerequisites and co-requisites.
2. The prerequisite or co-requisite is in violation of Title 5, section 55003 Policies for Prerequisites, Co-requisites, and Advisories on Recommended Preparation.
3. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
5. The student will be subject to undue delay in attaining the goal of his/her educational plan because the prerequisite or co-requisite course has not been made reasonably available.
